1947 SCHURZONE

PRESENTED BY THE STUDENTS OF

CARL SCHURZ HIGH SCHOOL IN CHICAGO

To You who will pass through this doorway for the first time, we bid welcome! We think you will find beyond the threshold a new inspiration for learning . . . companionship with teachers and students . . . the joy of working and playing together . . . the satisfaction of being a part of the throbbing pulse of Schurz. Visit our clubs and see what their officers, members, and sponsors accomplish through enthusiastic co-operation . . . our athletic teams that have won such honors for Schurz . . our R.O.T.C. . . the classrooms, with their pleasant, informal surroundings in which we learn to live successfully . . . the library . . . the art classes, choruses, orchestras, and bands which offer us so much pleasure and self-expression. Our doorways, which we have passed through so many times, are open for you as they were for us!

THROUGH THE DOORWAYS OF YESTERDAY

Best Wishes in the Coming Years
Love and Kisses
Lorraine Buckley

P.S. Keep your head up

To You who, with diplomas in hand, will walk through this doorway for the last time, we bid farewell. We, who are yet enrolled in Schurz, wish you untold happiness and success, and we want you to remember that you are still a part of Schurz. You have joined the long list of alumni who have made the Spirit of Schurz live wherever they have gone. May the friendships you have enjoyed here, and the many joyful experiences you have had in this, your school, live in your hearts always. Take with you the priceless experience and knowledge which Schurz has given you. Make the dreams you dreamed while at Schurz a reality. When you walk out of its doorway, may you see on the distant horizon the dim outline of a new door, beyond which lies a future of happiness.

WE VISION TOMORROW

Working Together Brings Success

Mr. Tietz is known to the entire school as a friend, but the Student Council regards him as an adviser as well as a friend. There were many times that discussions between him and the officers of the Student Council took place. Mr. Tietz works closely with the Council, giving them his advice and assisting them in carrying out their projects. Ronald Mathews, chairman of the board, Carol Rustemeyer, vice chairman of the board, Roy Sove, sergeant-at-arms, Mr. Tietz, Richard Sloma, president, Margaret Rehr, recording secretary, Robert Gremley, treasurer, Marilyn Hausberg, clerk of the board, Olga Golosinec, corresponding secretary, and Frank Staple, vice president, were the officers of the fall semester who met with Mr. Tietz to plan for the assemblies to be sponsored by the Student Council. The Council, sponsored by Miss Loucks and Miss Falkenroth during the fall term, and by Miss Falkenroth and Mr. Harz during the spring term, is one of the most active student groups in the school and is always ready to assist when needed.

OUR PRINCIPAL . . . His Message

Experiences of young people in high schools today are enriched by numerous opportunities to participate in extra-curricular and classroom activities. The members of the graduating classes of 1947 have achieved enviable academic records, participated as spectators and players in athletic events, and contributed much talent to our school assemblies. They have aided in a successful Student Council program and played an important part in building a large, active club program. It is my sincere hope that, as a result, they will be better prepared to assume their responsibilities and to achieve success in adult life.

Carl G. Tietz

THE SCHOOL

OUR ASSISTANT PRINCIPALS

Miss Elinor B. Goelz
Assistant Principal

Mr. Charles A. Buell
Assistant Principal

Here Mr. Solem discusses a problem in placement with Miss Woelfel, Mr. Myers, Miss Pearce, Mr. Hill, and Miss Blade. Attendance, discipline, placement in worthwhile work, and program-making are a few of the vitally important duties of this Administrative Staff.

They Keep Schurz Running Smoothly

The school needs the helpful co-operation of the school secretaries. Miss Csepiga is in charge of requisitions, Miss Dalsey of college transcripts, Miss Conerty the book room, and Mrs. Neilsen, monthly records. Miss Dewar is Mr. Tietz's secretary, and Miss Moran is the school treasurer.

Faculty

Dancing leaves make shadow patterns on our lovely campus . . . Boys and girls relax in the midst of springtime green . . . autumn yellow . . . or winter white. Friends laugh together and talk of school activities ahead . . . or perhaps remember the fun of semesters gone by . . . Friendships, life long and sincere, find birth at Schurz . . . They flourish and grow as friends relax and laugh . . . plan and remember . . . amid the ever-lovely beauty of our campus.

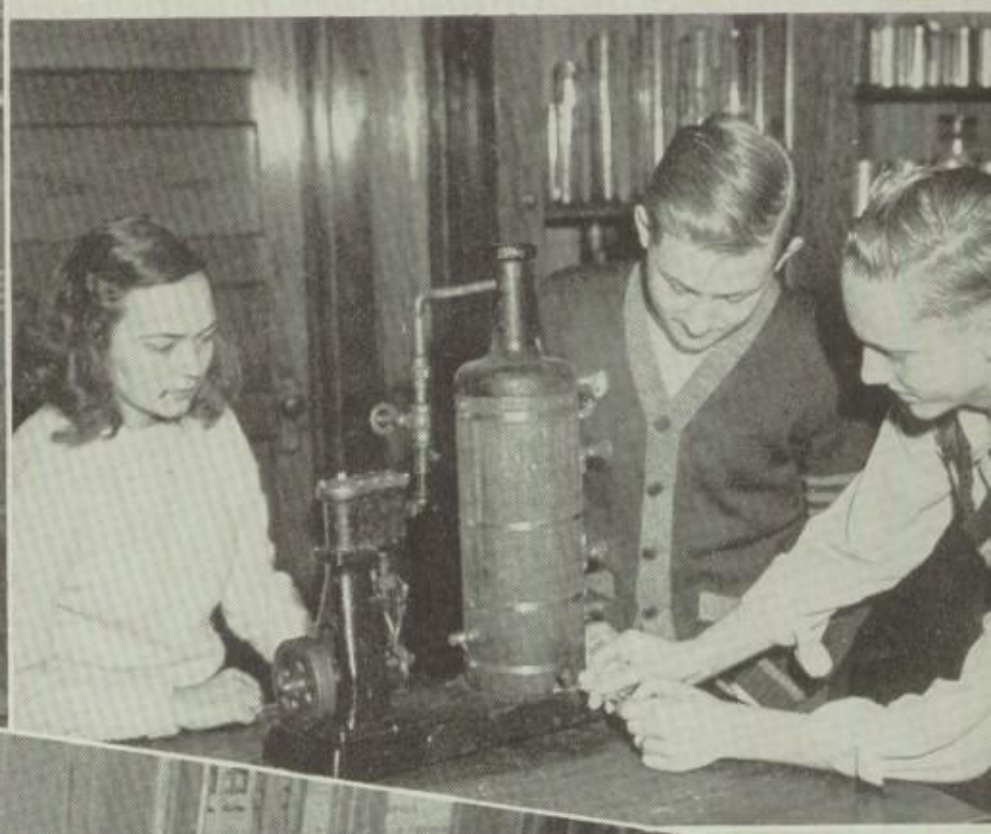
Our Library

The library—another meeting place for Schurz students. Here they all work together under the domed roof of the finest high school library in Chicago. The beautiful murals and portraits were executed by Mr. Gustave A. Brand, noted Chicago artist, and friend of Schurz students and a selected group of art students working under his direction.

GI's continue their education as they study in small groups at the Schurz Veteran's School.

Easy chairs, homelike surroundings, and expert guidance make study a cheerful task for veterans at Schurz.



They Find Physics Fascinating

Lloyd Stober makes a measurement as one step in determining the intensity of the light bulb with the photometer. Allan Johnson jots down the information as Herman Waarich, Mary Leschuck, Dolores Magnuson, Joy Wardle, and Hans Olman watch with interest. This scene took place in one of Mr. Ulveling's Physics 2 classes.

As a part of their unit on heat, Mr. Haggard's Physics 1 students studied the operations of stationary steam engines. Jeanette Johnson and Charles Stroebel look on as Warren Bilhuber lights the boiler of this model.

Joe Kapustka and Don Kruetzinger (left) seem to find this static electricity machine quite interesting. In the background, Alice Lowing has obtained an electrical charge on a vulcanite rod, and proceeds to test it with an electroscope. Barbara Madden and Loretta Kindzerski watch the experiments.

Experiments Intrigue Chem Students

Chemistry has come into its own in the last few years, as chemists have given us many wonderful things in life. The plastic industry has been developed from what was once work in the laboratory stage. The many miracles drawn from coal have been developed in the chemists' experiments. Here, today, Schurzites learn the basic facts about chemistry from an enthusiastic teaching staff. We find only a sample of the scientific world in our chem labs, but many of us go on to discover for ourselves the deeper things hidden in the world of chemistry. Above we see a group of Schurzites at work on their chemistry experiment. In the foreground we see four of the students interested in the process of decomposing water by electrolysis. Apprentice chemists in the background make chlorine by a specific method, test solubility of various chemicals, and attempt to distill water as part of their class room experiments.

Science Explains Nature's Wonders

James Bilhorn examines a plant form through the magnifying glass as La Verne Maddox studies a slide. Marilyn Swieton and Patricia Boehm wait to examine the plant form with theirs in Miss Sylvester's Botany class.

Gloria Gastros and Dolores Lynn examine a butterfly case as Lorraine Hinch, Marlene Hagadorn, Marilyn Grensback, Lorraine Gaik, Diane Fletcher, and Carl Rozak study their notes while Kenneth Du Broven, Raymond Rothfelder, Frank Schenk, and Grace Baranowski use their microscopes.

In Miss I. Johnson's Zoology class, Richard Carter, leaning against the bookcase, examines a new zoological sample while Jean Torson, Christine Nygaard and Betty Wunderlich make some discoveries of their own.

They Explore Science and History

Although they may not be future scientists, these young students are finding that working with tubes, bunsen burners, and flasks really helps them to understand today's complex living. Left to right are Halvor Jordahl, Jean Prepellica, Richard Ekeroth, and Ronald Romanoff.

World problems and solutions for them are discussed in Miss Bendix's Social Science classes. Here analyzing a subject are Jayne Ann Traxl, Peggy Chalmers, and Anna Marie Adams, led by Ronald Albion. Shirley Wolf, Dorothy Siedenstricker, Ralph Goers, and Elaine Bissell are interested listeners.

Commercial Artists in the Making

Carol Baschlaben, Barbara Wilde, Lenore Smigay, Olga Nawratuck, Lorraine Ebert, Joan Ziemba, William Novak, Clarajean Roeder, Edward Bonk and Roger Sprigings sketch while Barbara Willems poses.

Dolores Prybyl, Joan Kuempel, Margie Swartz, Ronald Stewert, Roger Martini, Walter Chimelowic, Joan Summe, and Herbert Dean seem to be enjoying Mary Hoffstedter's drawing.

Marvel Schaeffer, Donna Weatherford, Anna Marie Schict, Jean Sandell, Marylee Lapado, Pat Berry, Diane Slager, French Russel, and Verna Hautop make an interesting group busily engaged in working out a problem.

They Learn, Plan, and Execute

Elizabeth D'Andrea displays the dress made in Clothing 2 to Joan Macy and Ruth Chlumsky, while Doris Meyer, Sylvia Sharabata, Patricia Ruberti, and Joan Dionne study current styles in the pattern books in connection with the Clothing 2 class, directed by Miss Kober.

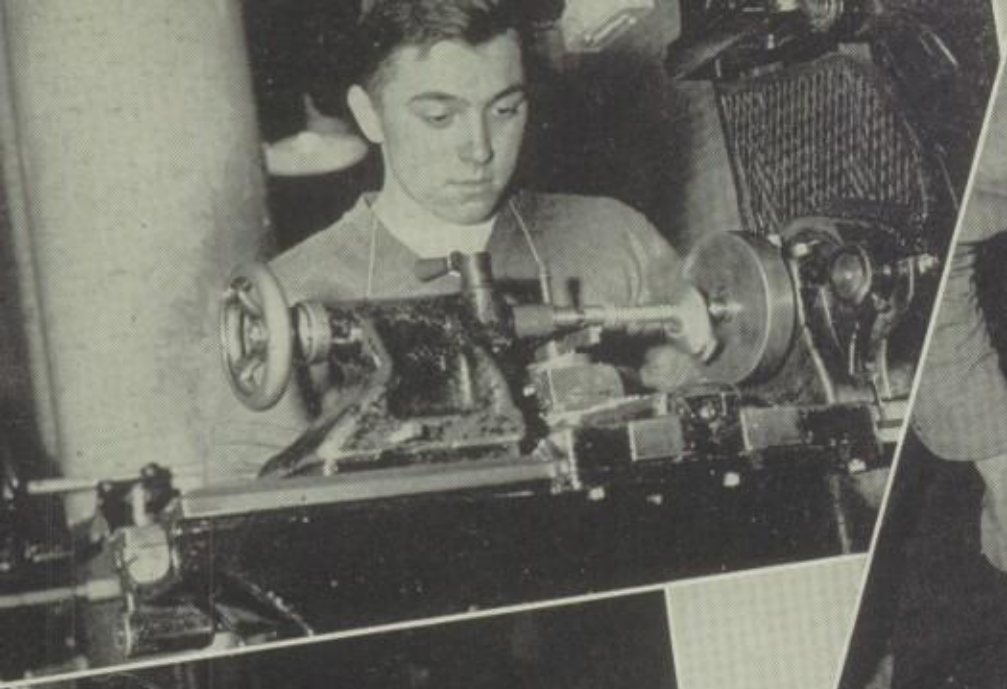
Mrs. Wilbright, Registered Red Cross Nurse, looks on while Charlene Paul demonstrates the correct way to hold an infant preparatory to placing it in a crib. Child care is taught in the Home Management Classes.

Dolores Grim and Nancy Van Hauter practice correct serving etiquette in Miss Huhn's Foods 2 Class

Adelaide Olson, Eleanor Rodenhausen, Lila Gacke Lois Fierbrand, Mary Lou Holm, and Norma Neisler demonstrate the preparation of food and serving of a meal prepared in the Foods 2 laboratory, directed by Miss Huhn.

Shops Train Boys for the Future

For those Schurz boys who plan to enter a technical vocation after graduation from high school, a large variety of training is offered in the shops . . . At the upper left, Ben Kitch is shown working at a lathe in one of the wood shops. Boys in these classes learn wood turning, cabinet making, furniture work, and other things in the same line. Part of the work in the pattern shop is demonstrated by Lawrence Gatorna in the lower left picture, while in the opposite corner Ernest Mayers applies the finishing touches to a picture frame . . . Tech students start out in Industrial Arts, where they learn fundamentals of printing, wood working, metal working, and plastics. The two pictures on this page from Industrial Arts 1 were taken during the wood working unit, and show John Schwenk and Tom Olson. Two semesters of this subject are included in the tech program.



Tech Students Are Taught Trades

Machine shop training, such as Fred Schweigerdt is shown receiving in the picture at upper left, equips Schurz boys to enter machine shop work or tool and die making after they graduate from school. The center picture, which shows Harry Jensen at work, was also taken in one of the machine shops. Boys in these shops make tools for home workshops. A favorite tool is a drill press, which can be made in machine shop at a saving of about two-thirds of the cost. The lower left picture was taken in an Industrial Arts 2 class. John Mazanet and Richard Olson are shown . . . Two stages of the work in foundry are shown in the picture at the right. Richard Mack (top) and Paul Dobkowski (bottom) are shown in this shop, the work of which covers the pouring and molding of metals.

Learning to Do a Job Well

When Longfellow said "the smith a mighty man is he," he was thinking of the kind that used to be quite necessary to keep old Dobbin in condition. However, the automobile hasn't put blacksmiths out of their jobs, since forge remains a part of modern industry. George Becker and Mr. Tanler are shown in the picture at top left. At the lower left, we find Tom Kavanaugh and Art Weldon running off some of the more than a quarter-million impressions that are made in the print shop each semester. Absence slips and library notices count for most of the number. Boys in auto shop get experience working on their own cars. Edward Raczka and Walter Zielke examine a wheel in the upper picture. Below them, Irving Sedjo and Ralph Seles also seem to have the situation under control.

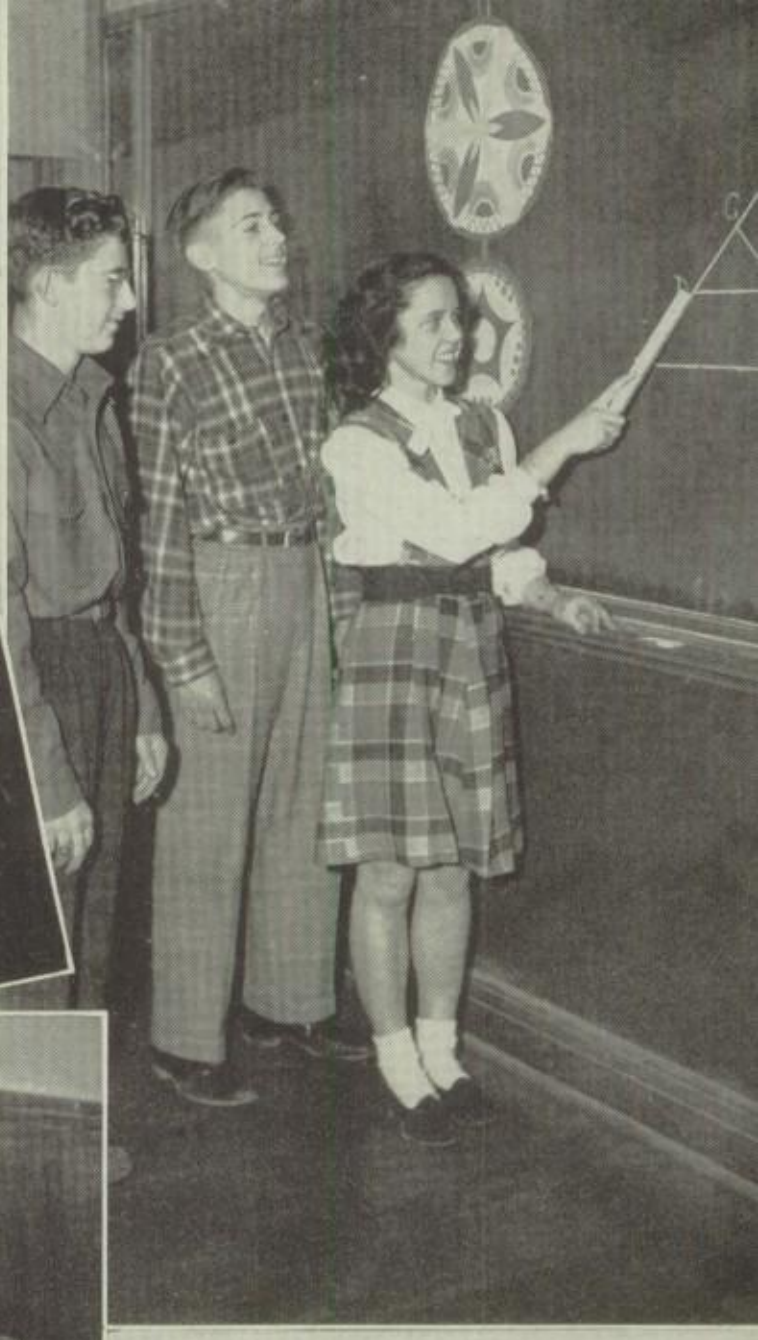
Preparing for the Business World

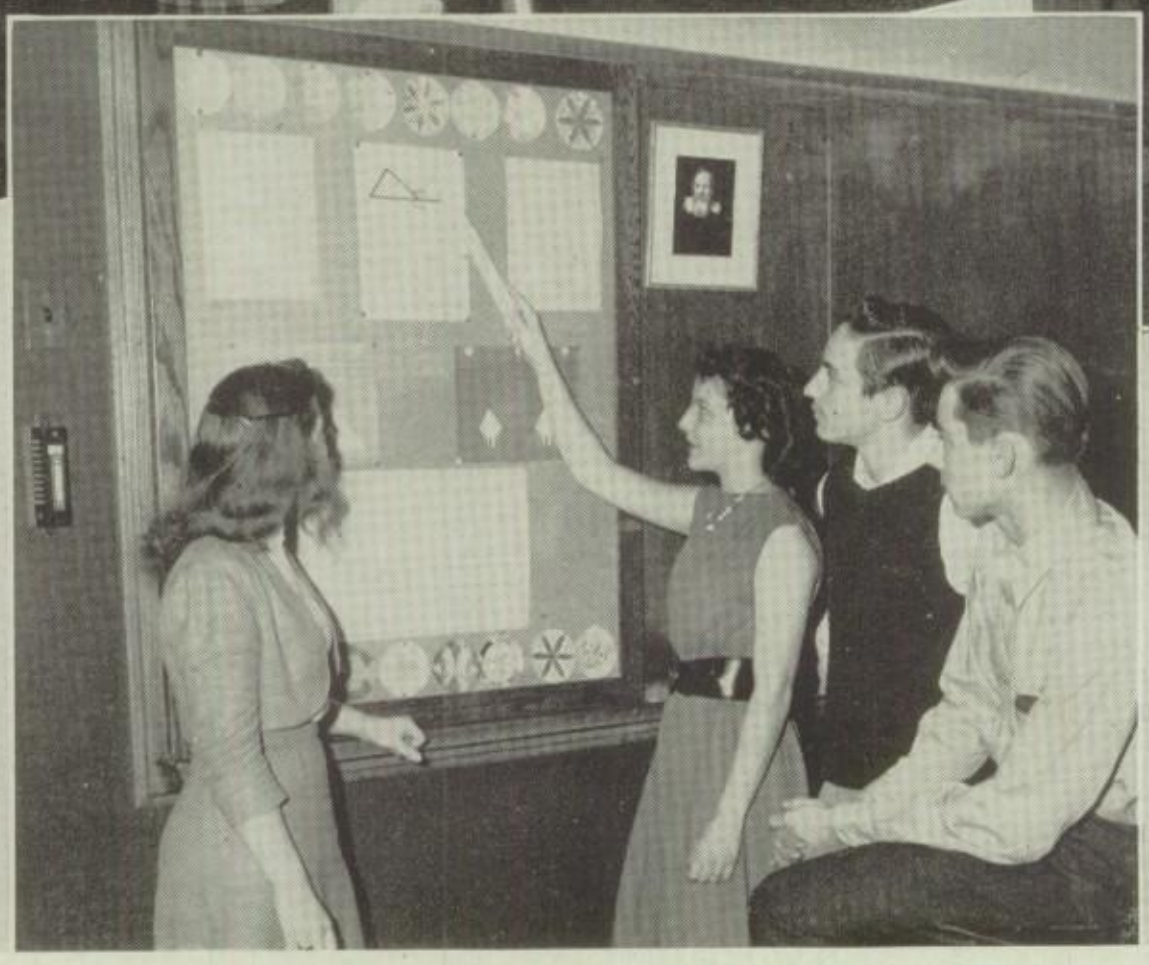
The students of this transcription group are typewriting their shorthand notes and are well on their way to becoming private secretaries. Mrs. L. Heinle is the instructor of the class.

These girls are students of Elementary Business Training and are getting a business understanding of the handling of money, insurance, investments, transportation, and communication, as well as filing, keeping of records, and office behavior, under the direction of Miss G. Hill.

Schurz students in Typewriting 2, are acquiring skill in typewriting. With the helpful guidance of their teacher, Miss Scherbarth, they are developing speed by means of the "Touch Method."

These are members of a Typewriting 3 class. They contributed to Open House by exhibiting their typewriting skill before parents and visitors at the rate of 75 to 95 words per minute. They are specialists in the writing of legal documents such as wills, contracts, specifications, power of attorney, and testimony. Miss Blade is the teacher.





Modern Precision Requires Math

Douglas Johnson holds a model showing the relation of a perpendicular to a plane. Rita Dolacinski and Larry Kunkel seem very interested in the model of conic sections. Meanwhile Lillian Hart is studying the relation of two perpendiculars to a plane.

Plane geometry is a very interesting subject, and Lew Merkow and John Simmins watch as Elizabeth Drake points out how parallel lines and equal angles are used to prove two triangles congruent.

Here is another way of proving triangles congruent. This method of side, angle, side is being shown to the attentive students Rita Shableski, William Ulivieri, and Rodger Cameron by Glenna Baker

The P. T. A. Is Our Friend

Mrs. S. A. Hazucha, Mrs. V. Romanowicz, Mrs. T. Nostwick, Mrs. R. W. Haas, Mrs. H. Rieken, Mrs. G. W. Lance, Mrs. W. B. Joss, Mrs. E. Aerts, Mrs. R. L. Harding, and Mrs. W. E. Koch are the remaining board members.

Mrs. E. L. Myers, Mrs. M. Susong, Mrs. R. Symons, Mrs. H. W. Cantrell, Mrs. E. P. Tully, Mrs. G. D. Wardle, Mrs. T. Walters, Mrs. M. Riechers, Mrs. H. Hesly, Mr. C. G. Tietz, and Mr. H. Solem are the officers and directors of the P.T.A.

The theme of the P.T.A. for 1946-1947 has been "Understanding Youth's Educational Opportunities." The parents of Schurz students have made an exploration into this subject by taking up a different phase of the theme at each meeting assisted by demonstrations of student groups. They began with an interesting talk by Mr. Tietz on "Home and School United Thru P.T.A." In October at the annual Open House parents and friends of Schurz students came to see the activities and class work of their children. As another year ends Schurz P.T.A. is confident that each member "Understands Youth's Educational Opportunities."

ACTIVITIES

For Home, School, and Nation

"We believe in freedom of speech, press, and religion: that honesty, frugality, and tolerance will make ours a model and blessed nation: that the destructive sacrifices of war can be avoided by the constructive sacrifices of peace: that optimism will defeat pessimism." This is the platform of the Americanism Club as expressed in its motto. The club, under the sponsorship of Mr. Vernon, Miss Davidson, and Miss DuBois, has as its purpose the teaching of the principles of democracy and patriotism. In order to carry out these objectives, it takes charge of the patriotic assemblies, and presents speakers on current topics at its meetings. Every member of the club serves on one of the five standing committees.

Howard Kjeldsen and Shirley Hinkey, co-presidents, Diane Winzer and Robert Gremley, co-secretaries, Marvel Schaeffer, treasurer, and Russell Hinkey and Edward Hammer, sergeants-at-arms, were the fall officers of the club.

They Study Latin-American Culture

Don Kordecki, Gerry Jess, Wayne Nixon, Laurel Swanson, Tom Snow, Lois Brenke, Jean Elk, Ray Kopetz, Alvin Kowalewski, Clarence May, Harvey Randolph, Glenn Christensen, Suzanne Fox, Joan Liss, Russell Podraze, Jerome Serame, and Norman Hilton listen to a talk on South America.

Dorothy Deike, President, reads a Spanish passage to Colin MacIver, Dan Fugit, Social Chairman, Donald Newhouse, Treasurer, Frank Schenk, Sergeant-at-arms, Jayne Barber, Secretary, Miss Swartz and Miss Kilpatrick, sponsors. Thomas Wold, Vice President, has just finished reading.

Doris Dowling, Beverly Thoss, Lois Tangen, Grace Gundersen, Ralph Stenzel and Donna Guerrero study a poster on Venezuela as Richard Moore, Eileen Grurer, Geraldine Sloier, Barbara Engh, Carolyn Hoekstra, Neil Coleman, Roderick Kennedy, Donald McClanahan, Sidney Hersey, Charles Walker, Knuth Dahlquist and Paul Davis watch.

One of the best-known and most popular of Schurz clubs is the Pan-American Club. This group, sponsored by Miss Daphne Swartz and Miss Catherine Kilpatrick, is doing its best to further the Good-Neighbor Policy with movies and entertainment about our Latin-American neighbors. Highlight each semester is the Spanish Reading Contest, in which students participate to determine the best diction, pronunciation, and delivery.

Junior Girls . . . Two Hundred Strong

The popular Junior Girls' Club beat all records this year with a membership of over two hundred girls. Under the leadership of their president, Joy Wardle, the girls not only succeeded in having an enjoyable time, but contributed a worthwhile gift to the school. After much consideration and debate, the club decided to purchase four mirrors for the girls' washrooms. On the social side, they sponsored a roller skating party at the Armory Roller Skating Rink. The large turnout there is an example of the value of co-operation to which the success of the club can be attributed. If this same co-operation is shown in their senior clubs, these girls will be assured an equally enjoyable year.

Joy Wardle, President, and Barbara Marquardt, Vice President, are eagerly reliving their successful skating party while Barbara Hill, Treasurer, Ruth Wenholz, Secretary, Barbara Irelan and Jeannine Lux, Sergeants-at-Arms, are interested listeners.

Your Manners Are Showing

Lorraine Busse, Secretary; Carol Tesmer, President; Tom Sullivan, Vice President; and Florence Rapala, Treasurer; discuss plans for the coming meetings of the Etiquette Club, sponsored by Miss Huhn.

An interested group of the Etiquette Club members look on while Richard Schoenfelder and Florence Harwig demonstrate proper eating manners. Table manners are a "must" on the list of the "Etiquetters."

Richard Smith seating Marie Peppi and Carroll Cihlar seating Margaret Rehr show the other members how it should be done. Every boy in the Etiquette Club knows the proper method of seating a lady at the table.

What to say; when to say it; what to do; when to do it are just some of the important everyday essentials of life which everyone should know. Etiquette Club members not only know the everyday essentials, but make it a point to look up problems on etiquette which puzzle them. They should go a long way on their course in the world for they know that "actions speak louder than words." The little kindnesses shown in our everyday life are what build personality and attract friendship. Knowing how to say the proper thing at the proper time is an example of mature thinking. Doing the right thing at the right time displays good common sense. With these fine thoughts in mind "Etiquetters" know that the Etiquette Way is the right way to make friends and attract favorable comment.

Latin Club Banquets In Roman Style

One of the highlights of this semester's Latin Club was the Roman Banquet. This was served in traditional Roman style with a menu distinctly that of ancient Roman times. The menu, invitations, and manner of receiving the guests was according to the fashion of the old Roman homes.

Following is a copy of the menu used at the banquet.

Beatrice Grzempa, dressed in the native costume of Poland, as she appeared at annual Open House.

President, Dorothy Rapala, and members of the Polish Club look on as Beatrice Grzempa, Vice Pres., displays one of the many attractive posters designed by the Polish Club students to advertise their club.

Interested spectators at Open House examine some of the many colorful exhibits made by the Polish Club for the Open House display. Poland, indeed, has been an inspiration to them.

Polish Spirit Is Kept Alive

Under the sponsorship of Miss A. Cierpik, the Polish Club has had a most active year. Clever displays consisting of Polish books, shawls, and trinkets brought from Poland were placed in the cases near the library. An assembly honoring the well-known author, H. Sienkiewicz, was highlighted by Dr. W. Sklodowski, who reviewed his life. It is the purpose of the Polish Club to help us better understand the Polish people and their customs.

Take Your Choice

GERMAN CLUB

The German Club makes learning the German language more interesting since the members become acquainted with German cities of world renown, domestic life, and political views. Miss Durland and Miss Krenz, teachers of German, sponsor the club and assist the members in the projects.

SPANISH CLUB

Rio de Janiero, Madrid, and Buenos Aires are a few of the interesting places which are discussed in the Spanish Club. Sombreros, full skirts, serapes, all symbolize typical Spanish dress. Here a few of the members model the colorful costumes of Spain and South America

FRENCH CLUB

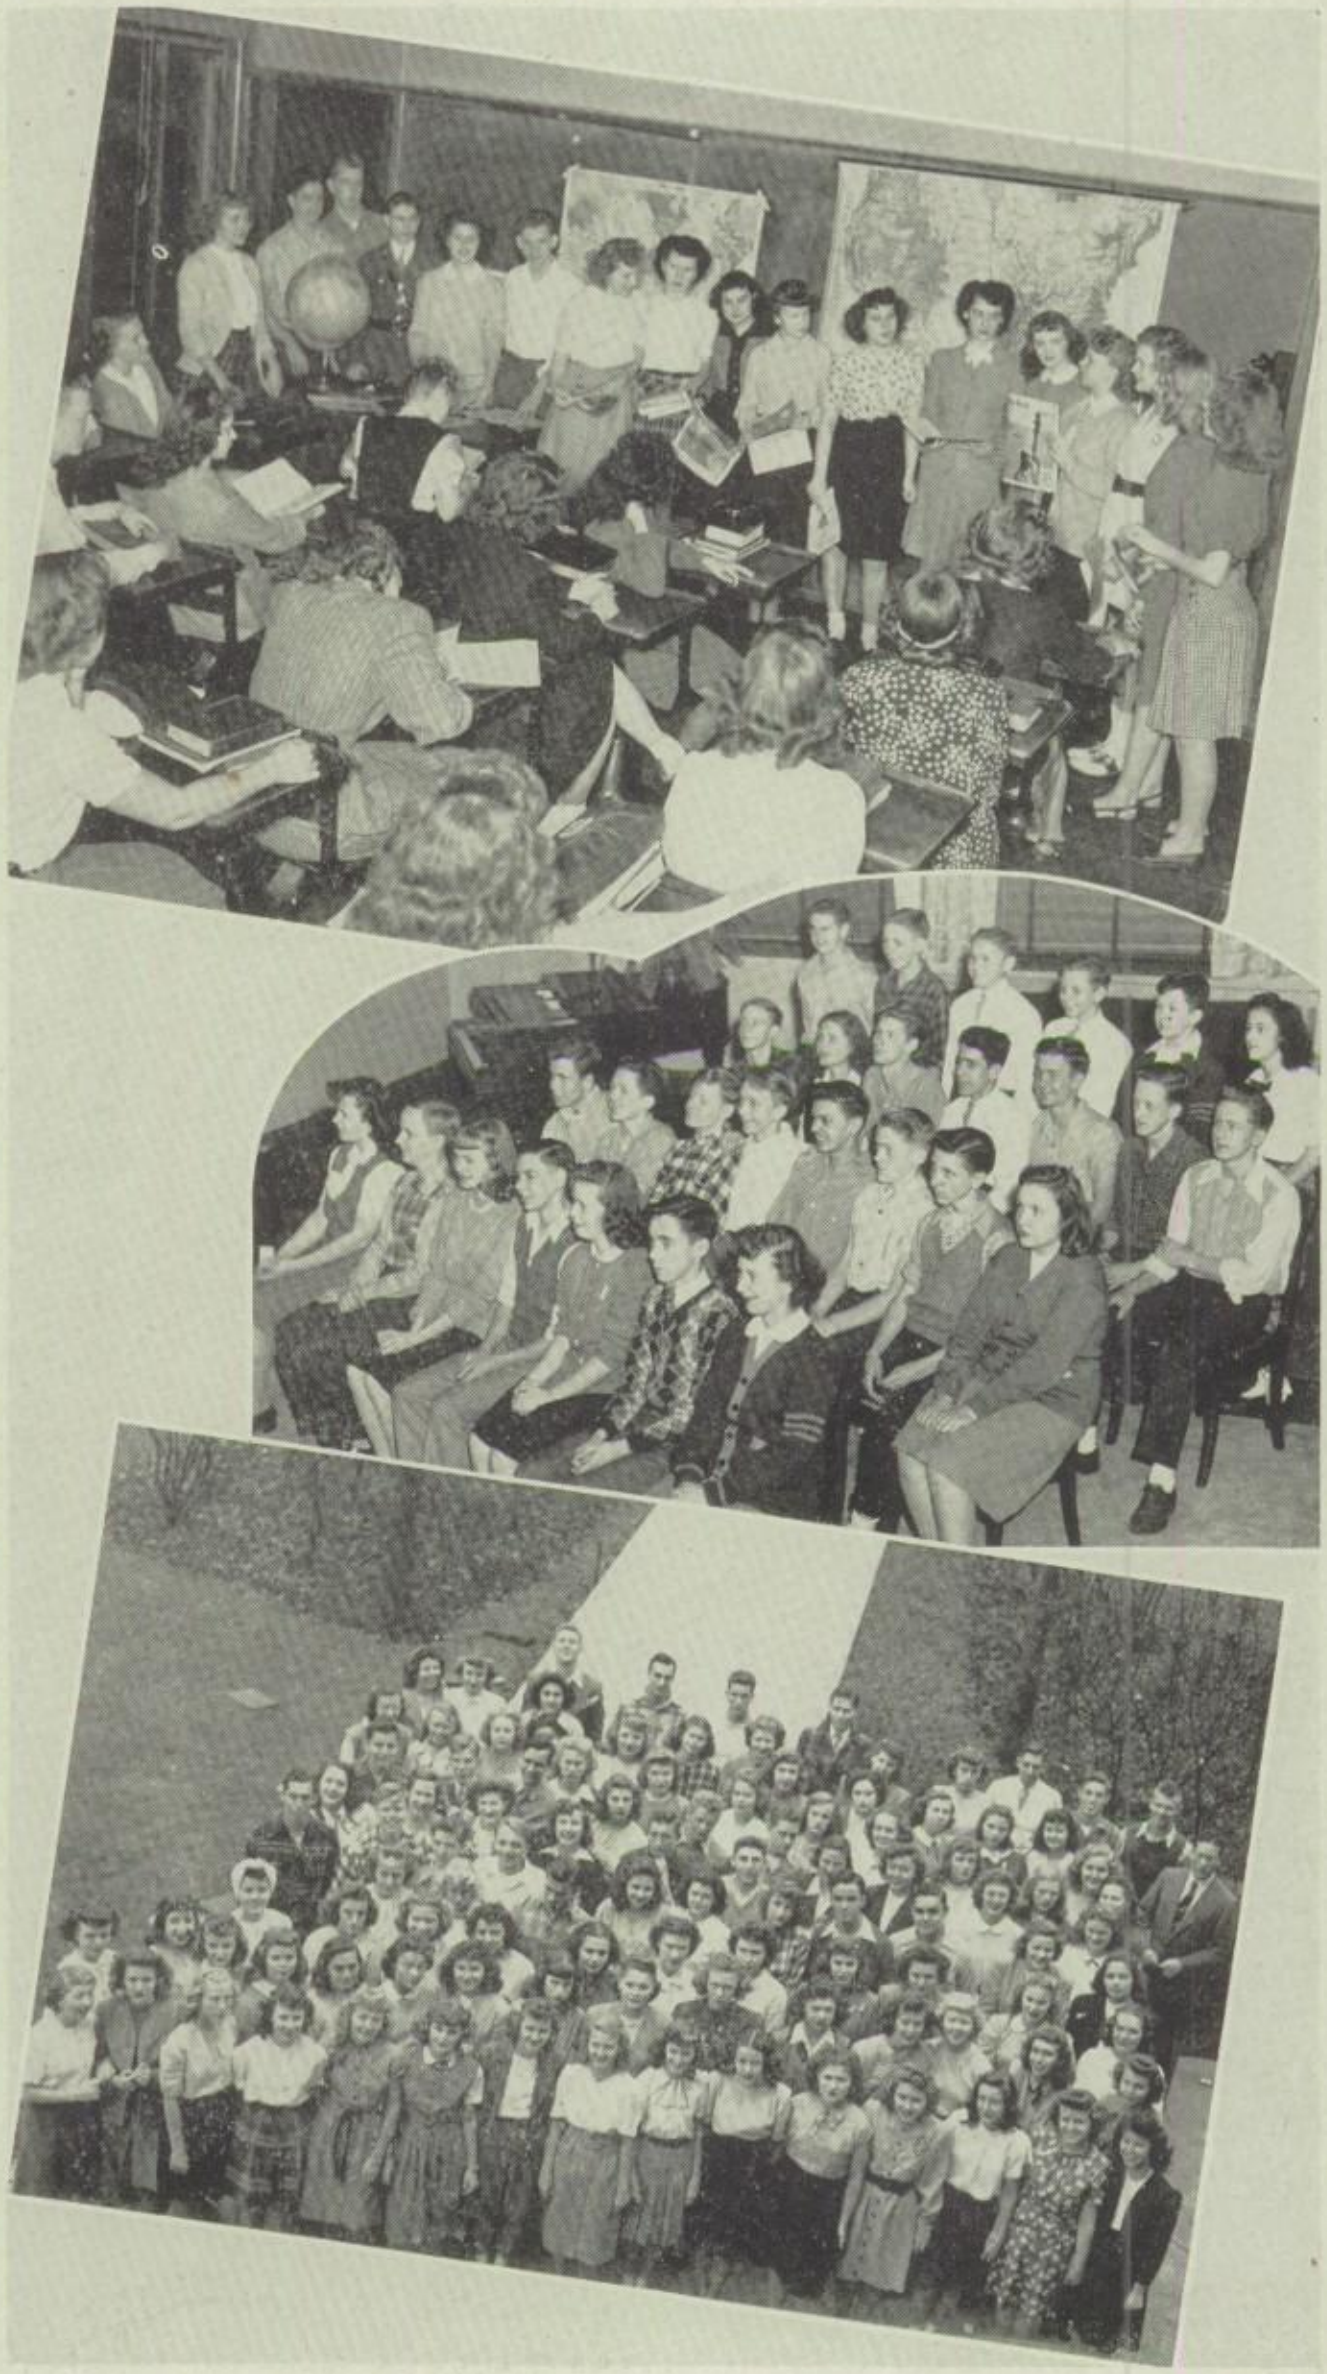
Paris, "The Marseillaise," and the Arche de Triomphe all mean France to a Frenchman. In the French club, sponsored by Miss Orem, the members learn more about the French people. Here they study French newspapers, which contain many of the features found in our own American papers.

New Horizons At Home and Abroad

Discussing world problems of today increases one's knowledge. Taking imaginary trips to unknown and fabulous lands encourages reading about distant lands and people abroad. Touring the well-known spots of our own city broadens the knowledge of the student on important local sites.

INTERNATIONAL CIRCLE

Disputable worldly topics are brought up and discussed by the International Circle, sponsored by Miss K. Connell. Each member expresses his own thoughts and strives to make the club interesting. These members discussed the question, "Can Women Really Do the Work of the President of the United States?"



TRAVEL CLUB

The Travel Club sponsored by Miss K. Stauder sees the world via the moving picture screen. From East to West, from North to South, few lands miss the eyes of these travel-minded club members. The attentive students wait patiently for a movie on one of the many distant lands to be shown to them.

TOURS CLUB

Touring Chicago and its vicinity can be more interesting to Chicagoans than to outsiders as these Tours Club members have found. Visiting and exploring the many wonderful places of the city revealed interesting educational buildings, beauties beyond comprehension, and sites undreamed of.

On Call At All Times

Bob Gaston, President of the Fire Marshals, is handed a fire extinguisher at the top of the ladder by Peter Pappademetriu, sergeant-at-arms. Bob Antonucci, secretary, steadies the ladder as Angela Parisi, vice president, Joan Dahlgren, sergeant-at-arms, and Joan Demerest, treasurer, look on.

P. Pappademetriu, A. Parisi, R. Gaston, J. Demerest, J. Dahlgren, B. Antonucci, P. Petzold, R. Zarski, R. Smith, C. Cihlar, C. Chaiser, F. Kohn, D. Schneider, W. Kaufmann, T. Sullivan, H. Jurczak, T. Seese, R. Slate, M. Levy, B. Lays and L. Gustafson listen attentively as R. Sanders and V. Spiralke explain the correct way to use fire extinguishers.

Immediately after the fire alarm is sounded, the forty-odd members of the Fire Marshals Club hurry to their posts throughout the building. They guide students to less congested stairways, keep order, and do everything they can to clear the building as rapidly and as safely as possible. Club activities are planned in the meetings held the first and third Fridays of each month. Here the members discuss fire prevention and learn the fire signals. Social activities are not neglected, either, as a social committee consisting of six boys and two girls plans the social affairs. To help in avoiding congested stairways, the club has placed posters in every room in the school. These posters guide the students to the proper stairway or exit in the event of a fire or drill. Thanks to the understanding and cooperation of Mr. Arthur Golub, the sponsor, the fire marshals have a very interesting and educational club.

The officers of the Engineering Club for last fall's semester are shown above studying some new field in engineering. They are Bob Metzger, President; Ronald Mathews, treasurer; Mr. Swanson, sponsor; Albert Sieg, vice president; Al Metzger, secretary. The group of members in the top picture consists of Vail Engh, Ted Soltys, Ronald Spath, Richard Olsen, Paul Davis, Bill Woelbeling, Martin Grygiel, Robert Jensen, and Cleon Gilberg.

Below them we see Mr. Swanson, James Lakemayer, John Bald, Elmer Ernest, Louis Krueger, Norbert Walent, Donal Lamers, Donald Ruud, Ted Miller, Bob Johnson and Ralph Seles.

Tomorrow's Engineers

One of the more progressive clubs at Schurz is the well-known Engineering Club. This select group of boys meets to discuss new events in the engineering field. Their grouping together in one club enables them to learn facts about engineering which would otherwise not be made known to them. Through movies and models which the members themselves bring, they study the complexities of bridges, buildings, and the other fields of engineering. Their trips to industrial plants throughout the Chicago area enable them to study at first hand the problems which attend the manufacture of so many everyday objects. They present the semi-annual liquid air show as an introduction to engineering for other Schurzites. They have fun at their meetings, but serious study comes first in the field that many of the members plan to enter after their graduation from high school — engineering.

Meeting with Miss Haugen to plan a future meeting of the Sophomore Girls, we find Dolores Koehn, Mary Lou Holm, Nancy King, Marilyn Grensback, Darlene Woods, Joy Asker, Geraldine Skorczewski, Joyce Sternamann, Dorothy Schulz, Ann Alsip, and Rose Goldstrom.

They Are Versatile

Wholesome friendships, fun, unity of purpose, better social culture, and working together for the good of the school were the incentives in forming the Sophomore Girls Club under the sponsorship of Miss Haugen and the leadership of Darlene Woods, President, Nancy King, Vice-President, Rose Goldstrom, Secretary, and Mary Lou Holm, Treasurer. Their social program was highlighted by their original skit, "Baby Sitters, Good and Not So Good," which pointed out the Do's and Don't's of baby sitting, an art demonstration which revealed the magic touch needed in making lovely table decorations, and a Christmas Sing during the last meeting before the holidays. Representatives from the Senior Girls came to one of the meetings and gave the club members a few tips on how to live happily at Schurz. The Sophomore Girls carried on during the spring semester under the leadership of Nancy King, the new president, and her corps of officers, Ruthanna Reinlie, Vice-President, Elizabeth Griebel, Secretary, Lila Jones, Treasurer, Delores Ahrens, Sergeant-at-arms, and Joan Hornak, Program Chairman. The second semester was as profitable and enjoyable as the previous one, and a great help to the girls in gaining the experience necessary to run the Junior and Senior Girls Clubs later.

Saddles Away Every Saturday

Seated on the horses are B. Pegg, D. Johnson, A. Hughes, R. Vanselow, and E. Hornof. Not so lucky are M. Miller, B. Hadfield, G. Zezniewski, D. Dixon, F. Wesdowski, B. Dittmer, Miss Marnell, the club's sponsor, J. Boening, G. Stabbe, and A. Cleven.

In this group are D. Ritchey, C. Lombardo, D. Meiers, B. Peeke, P. Yager, R. Sabielny, B. Stonesifer, R. McBride, R. Kinsinger, M. Whitney, and D. Macleod.

Grouped about their Sgt.-at-arms, B. Pegg, are R. Vanselow, Vice President, C. Whitney, Sgt-at-arms, N. Havlick, Secretary, and E. Anderson, President.

Clop, clop, clop! What could be more exhilarating than a brisk morning ride through the woods with the companionship of our happy fellow Saddle Club members? The club, sponsored by Miss Marnell, meets every Saturday morning at nine at the Oakwood Stables. From the stables, the group leaves for a brisk ride in the neighboring woods, and practices improving its seating and control. Club days in school are spent listening to interesting talks on how to manage horses, as well as watching entertaining movies.

It Is An Interesting World

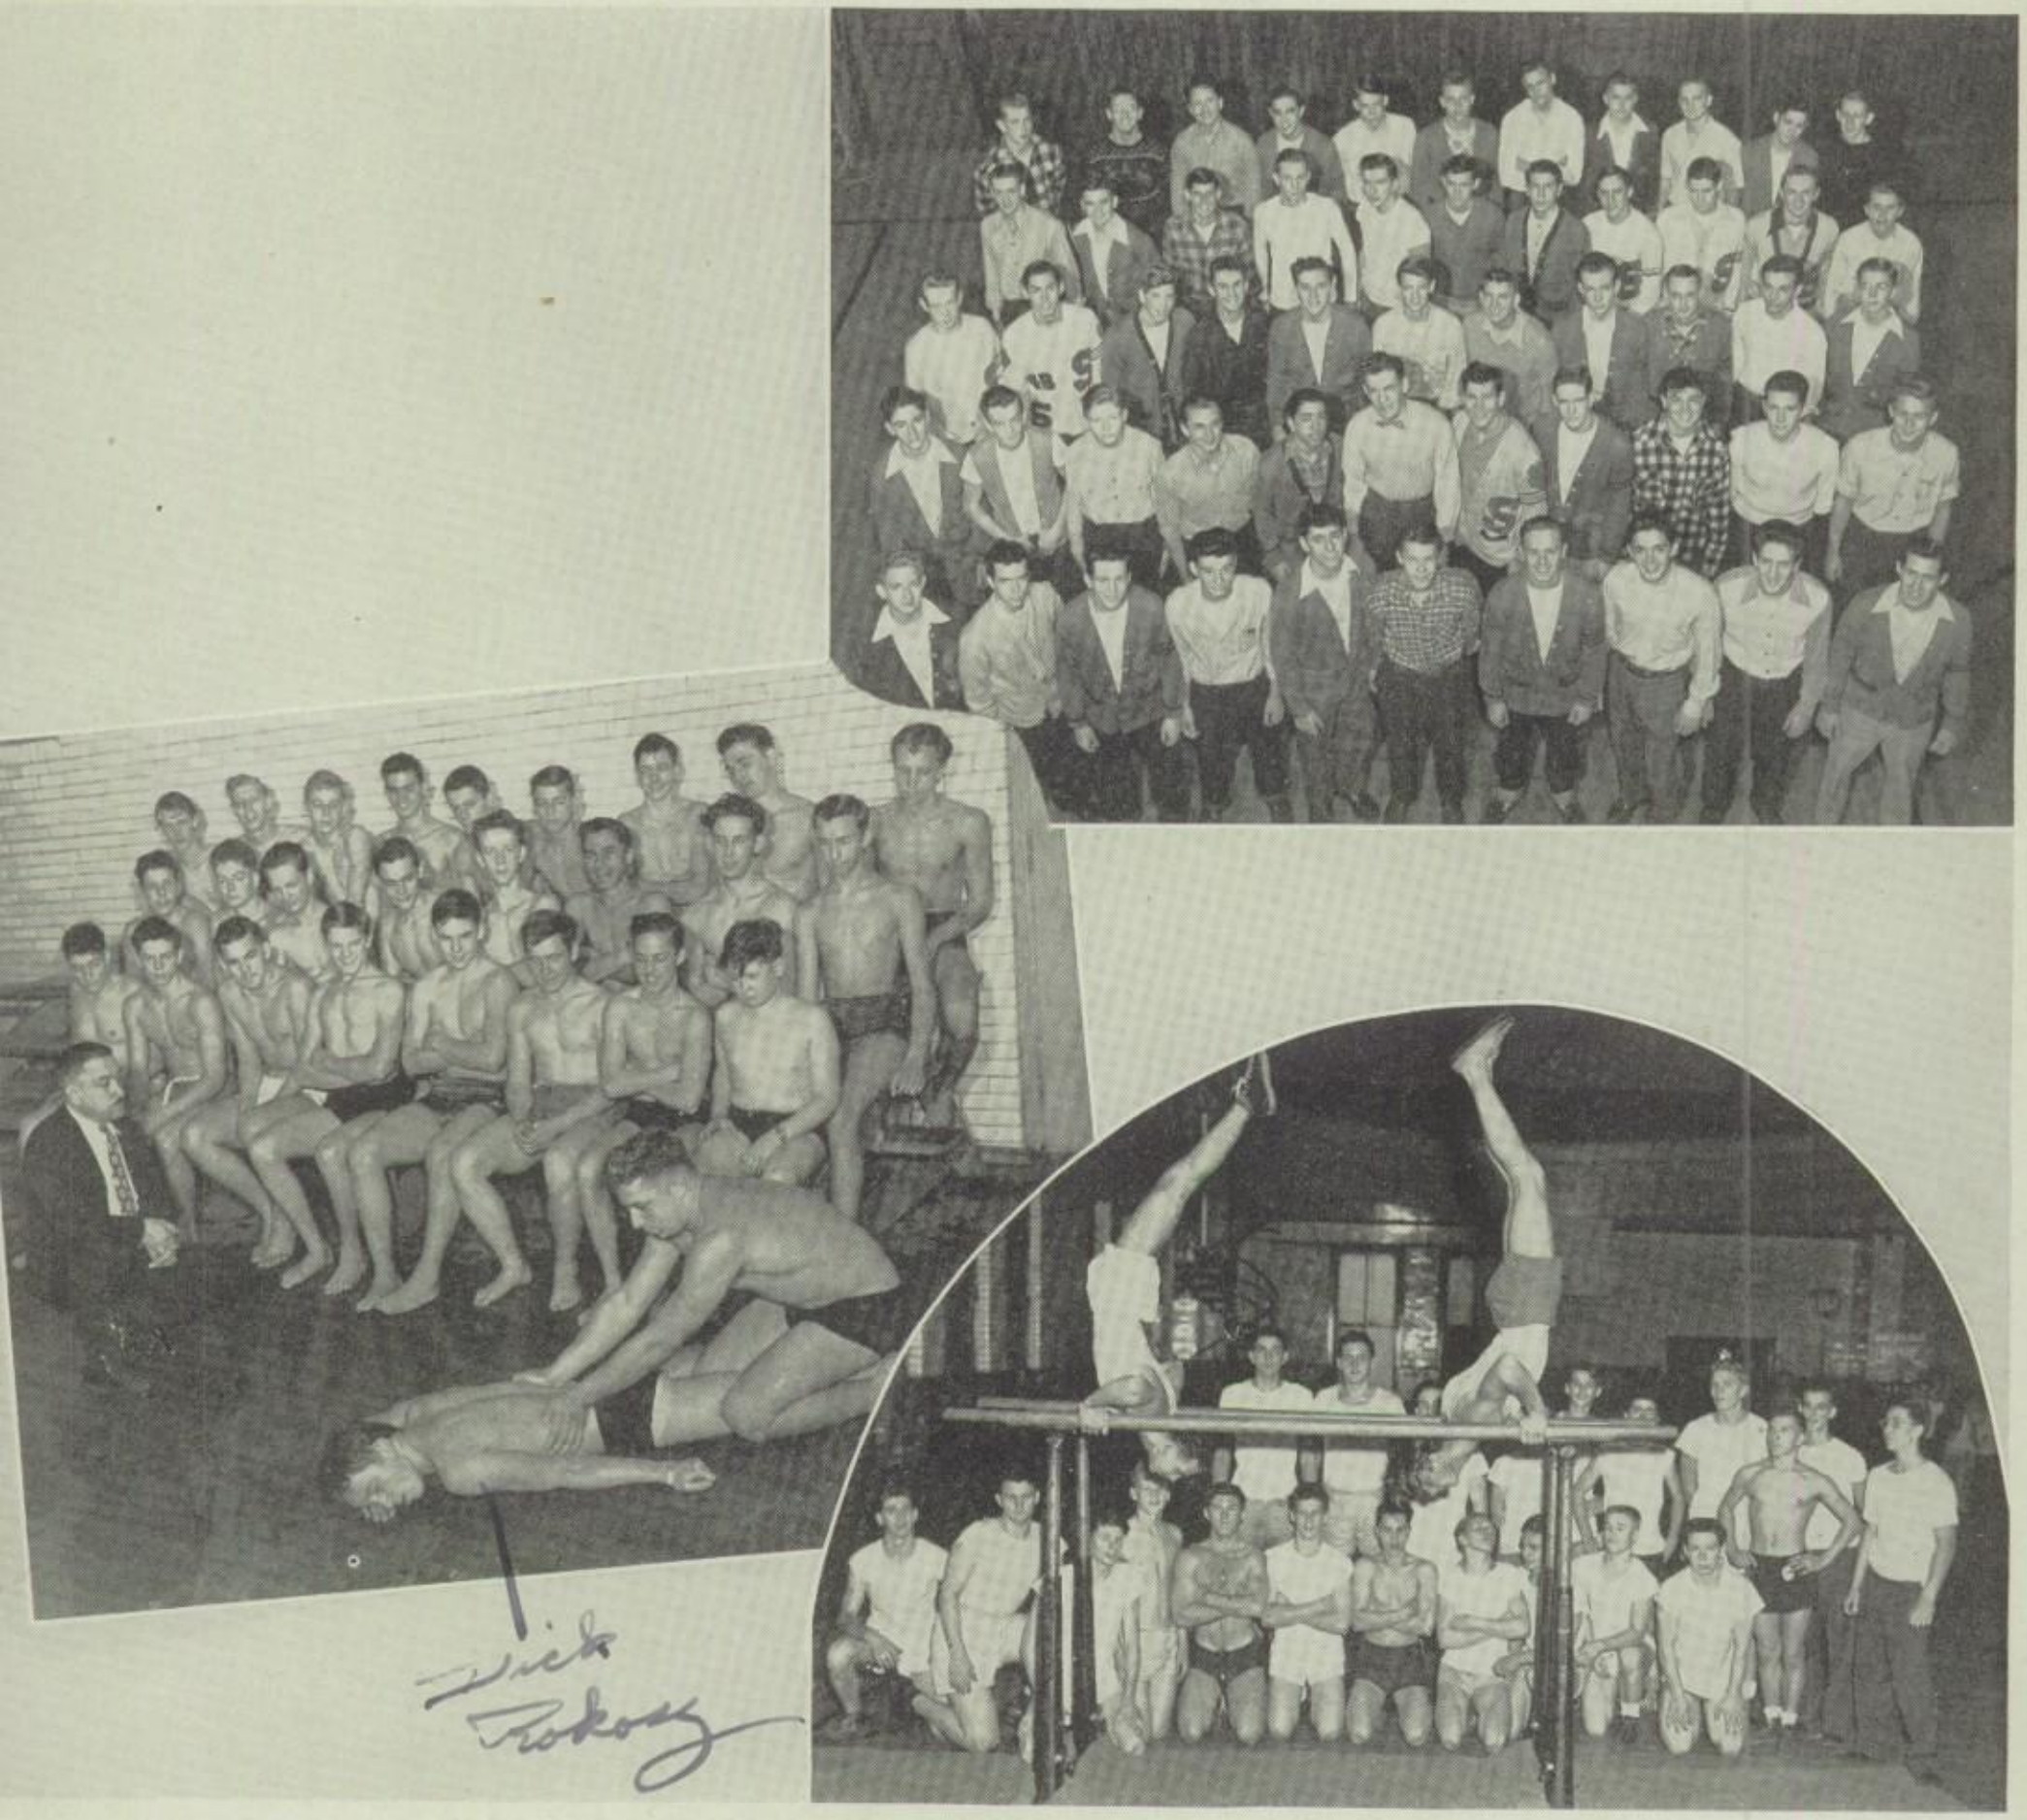
Live rabbits, preserved specimens, and microscopes, interest the members of the Biology Club.

Charles Christenson, President, demonstrates a law of physics to his interested fellow club members.

Chemistry enthusiasts gather 'round their President, Harry Pillman, as he proceeds with an experiment.

Schurzites interested in scientific fields found three new clubs this past year. Biology, physics, and chemistry were emphasized in these organizations. Each member of the Biology Club, sponsored by Miss D. Nielsen, had a special project to work on. Discussions of various topics related to physics were presented to the Physics Club by the members themselves. Meteorology, electricity, and motors were highlighted. Although a new organization, Mr. Huntley's Chemistry Club got off to a good start. In addition to the meetings during the regular club period at which lectures and movies were presented, research work was done out of school on Tuesday afternoons by the enthusiastic members.

Athletics for Health and Strength



Here at Schurz is one club that is devoted exclusively to the letter-winners in Schurz athletics. With the help of Mr. Fred O'Keefe, sponsor, the club gave a banquet in honor of the championship soccer team.

With Mr. Otto Harz lending a helpful hand, the Schurz Life-Saving club has as its purpose aiding fellows who wish some knowledge in the art of life-saving. Meetings are held in 107 where the boys have access to the school pool.

One of the most popular clubs among the boys at Schurz appears to be the Gymnastics club, having as its sponsor a capable man in Mr. Granzin. Their meetings are held in 125, where necessary equipment is available.

Under the leadership of our officers and program committee, the Office Girls have had a profitable and interesting series of meetings. Dramatic skits demonstrating the right and wrong office behavior have been enacted by members of the club. By means of a question box many ideas for the club were forthcoming. The girls contributed a large basket of food and money to a blind girl and her aged parents at Christmas time. Two tours were made during the first semester, one to the International Business Machines Company where the girls witnessed demonstrations of electrical typewriters and bookkeeping machines, and the other to the Kraft Foods Company where they visited the entire plane, including its many offices and test laboratories. The social committee arranged for a tea in the social room for the graduating officers at which time talented vocalists and musicians were discovered.

The Music Appreciation Club has one definite aim in mind, and that is to help students enjoy good music. Miss Schweitzer, sponsor of the club, believes that familiarity with good music will awaken an interest in the classics, and will help the members toward a greater understanding of them. This year's officers are Norman Hartmann, President, Mildred Gloesman, Program Chairman, Marthan Wilke, Secretary, Jean Preplica, Vice-President, and Rueben Evans and Helen Zanosko of the Program Committee. The officers help the students plan the student participation programs, in which the members are given a chance to hear their classmates play. The victrola was also popular, with operas, suites, and overtures being heard.

Young Writers At Work

Members of the Creative Writing Club are gathered around Miss Theilgaard, the sponsor, who points out correct techniques in creative writing. They get a chance to show their ability in all fields of writing. Here is some of their work.

MY ONLY CHANCE

The thudding feet, the bright green suits,
A whistle sounding clear.
Bouncing ball and flying hands,
That huge guard drawing near!

Across the striped and painted floor,
The black-rimmed basket beckoned.
I saw our forward grab the ball,
And shoot before she reckoned.

The shot went wide, and underneath
My hands strained for the ball.
I felt my eager fingers stretch
As it began to fall.

Ah! It was mine! I held it close
And turned to face the foe.
Could this great giant be a guard?
She looked like a buffalo.

This was my chance. We trailed by one;
My nerves began to crawl.
I shut my eyes and licked my lips
And heaved away the ball.

The next few seconds seemed like years;
It hovered in the air.
I watched it totter on the rim
To fall I knew not where.

A deathly silence filled the gym,
My face was red with shame.
The ball had missed the basket
And we'd lost another game.

CONTENTMENT

A little bird
Whose song is heard
Above a tired world.
Some shady trees
And cooling breeze
Away from work and strife.
A quiet nook
Near a clear brook
Where pebbles may be hurled.
A line and hook,
An unread book,
That's all I ask of life.

THE VALIANT

The fighting has ended. The colors of the brave still fly, and the golden wings of glory descend to hallow the bodies of our valiant dead. All the gold of man's dominion and the silvered phrases from his heart cannot raise these lifeless bodies from their humble sleep. Pompous dedications and ceremonies cannot restore them. They have no need for earthly tribute and petty praise. There is but one monument to be raised, but one dedication. That is permanent peace!

RAYS OF BEAUTY

The sun shines through the window,
  Its rays are spun like gold.
The night has passed so quickly
  Its memory now is old.

The rays like beams of friendship
  Are warm, and rich, and clear;
I wonder if the heavens
  Can shed a golden tear.

But now the day is over,
  The sun begins to set,
A sight so sweet and lovely
  It makes my eyes grow wet.

Look forward to tomorrow
  When the sun again will show
Its rays of health and beauty
  And happiness, I know.

FOOD FOR THOUGHT

Did you ever stop and wonder
About those who are good to you,
About their friendly smiles and the thoughtful
  things they do?
Did you ever stop to wonder if you are as
  good as you can be,
If you return the kindly deeds,
Little though they may be?
Of course the world is fashioned of humble,
  happy, and sad,
But why not be good with the good, and let
  the bad be bad?

Norma Graziano

IN SORROW

Two crystals, one upon each cheek,
  Two eyes; and yet they cannot see.
A thought that makes my sight a blank
  Comes back to face reality.

In moments brief I see with me
  A dream, a vision; then, a fall.
Alone again, three things remain—
  Two tears, a thought, and that is all.

Albert Berger

THOUGHTS

Do you ever think your thoughts
Are thoughts none else would think—
Of baby dolls and kittens
And kites beneath the sink?

Of the cutest boy across the way,
Of tennis in the spring,
Of the scene in which you had to play
A fairy prince or king?

And as your mind is moving
Over a painful part,
A single thought proves soothing
To the aching of your heart.

And then you look beyond
For a future bright and clear,
And find yourself most fond
Of thoughts of hope and cheer.

It Takes Skill to Make Them Perform

During the club meetings, the members of the Puppet Club learned the fundamentals of marionette-making. The display at Open House was only one of the club's many accomplishments. This exhibit consisted of the various steps in making a marionette from such materials as plaster, wood, cloth, and paper mache (the usual ingredients of a puppet). Members who do not wish to make puppets work on other details of the play, as a marionette show provides many fields of work. Scenery painting, for example, is a major problem. Then there are lighting effects, designing, script writing, and many more jobs. Under the direction of Miss M. Sullivan, sponsor, the members gained much experience.

Ronald Holmblad, President, makes one of his puppets perform for Geraldine Everitt, Sergeant-at-Arms, Warren Lehman, Vice President, and Robert Baker.

Eugene Olivo, Charles Joss, Donald Meyers, James Osowski, and Merry Lee LaPado, Secretary, are interested spectators at a puppet demonstration.

Leslie Hesly, James Jager, Raymond Fink and John Hilmer at work during one of the club periods as Miss Sullivan, club sponsor, checks on their progress.

Drama . . . The Entrance to a New World

Phyllis Westberg reads the Dramatics Cl program to Jean Van Oeyen, Dorot Wehmeyer, Joan Hornak, Diane Loutt Bob Bussell, Don Jacobsen, Ron Holmbla Henry Christiansen, Dolores Arnold, P Delaney, Verna Marshak, Mildred Curle Elaine Beer, Beta Joan Kovac, Ida Arn Selma Lehning, Joan Krenz, and P Reuther.

Lorraine Rasimowics and Clarajean Roed read a play to Barbara Wollsten, Bever Flores, Joan Seipp, Joanne Dosey, Glenn Baker, Betty Cantrell, Betty Steimert, De Noren, Ed Richards, Ralph Harris, Rog Sprigings, Audrey Stedman, Andrea Joh son, Marion Bork, Jean Kielbasa, an Nancy Piser.

Phyllis Anderson, President of the clu reads the program to Guyla Johnson, Vi President, and Fred Stenzel, Treasure Listening intently is Roberta McGuir Chairman.

Besides enjoying the companionship and fun of meeting together, Miss Carroll's Dramatics Club members have gained many new ideas about the stage. Contributors to the club's programs have always managed to be both educational and entertaining, with talks, sketches, and impromptu readings given at each meeting. A play written by a club member was given at one of the meetings. Reports of many of the latest plays were given in detail, and attendance at both amateur and professional plays was encouraged. The club has been both acting and observing phases of the drama, and it is hoped that it will always continue to be a part of the school program and an aid to the members.

They Enjoy the Fine Arts

Some of the girls from Miss Knaub's Dramatic Club begin rehearsals for a skit. Carol Brett, June Samson, Grace Baranowski, Jean Von Oeyen, Jean Humenski, Phyllis Westberg, Linn Cleinmak, and Ruth Berger are practicing for one of the dramatic moments in the play.

Miss Knaub, sponsor of the Dramatics Club, gives the members a few pointers on proper stage technique. The aspiring young actors and actresses in this club also get worthwhile experience, since they are required to present pantomimes and short skits.

Special events such as the Military Ball, kept members of Miss Newell's Poster Club very busy. M. Sauer inspects one of the finished products as F. Wojciechowski and S. Stube watch. Pres. W. Gallagher begins another poster under the watchful eyes of H. Tabor, A. King, Miss Newell, sponsor, H. Krause, J. Osowski, M. Schimel, and R. Legband.

Members of the Painting Club, sponsored by Miss Michel, inspect some of the semester's work. A. Pearson, D. Slattery, M. Bach, and R. Von Kline are discussing the good points in some of the paintings as S. Brahne, A. Gacke, B. Willems, J. Mert, J. Schwaegler, B. Urquart, and J. Caserg listen.

Dance Your Way to Happiness

Merle Jones, Helen Grabowski, Norman Voss, Phyllis Danford, Gladys Schmaehl, Joseph Palony, Irene Mastaj were the busy officers of the Social Dancing Club sponsored by Mrs. Sugarman.

Among the many different steps and positions that Mrs. Sugarman taught the members is the one illustrated here. It is called the open position in preparation for the fox trot routine.

The closed position for the Rhumba is illustrated by the members of the dancing club in this picture.

Fox trots, waltzes, rhumbas were all part of the program of the Social Dancing Club. The members had an enjoyable time learning how to dance while acquiring grace, poise, and assurance on the dance floor. Many of the members did not know one step, some a few, but they all came out experts. Knowing how to conduct one's self on the dance floor is important, and these club members can be sure that the lessons they learned in the club will be an asset to them in their social life. No matter where one goes the pleasure of the occasion is heightened by knowing what is socially correct and by being able to apply this knowledge at all times.

COLLEGE CLUB

Going to college? The College Club will help you find the proper college to attend. An Open House show, student talks, speakers from and visits to the various colleges are some of the activities of the club. Pres. James Allen and Sec. Elaine Stenwick are giving to the club some information about colleges. The club is sponsored by Mr. Harry C. Lassen.

LAURELS HONOR SOCIETY

The Laurels Honor Society is made up of students who have maintained a superior average. Members of this organization wear the distinctive Laurel wreath. Richard Sloma, President, is reading to Sec. Frank Staple, Vice-Pres. Shirley Rurik, Olga Golosinec, the 4B delegate, and Nell Maller, 3B delegate. Elizabeth Griebel, 2B delegate, Barbara Kolberg, 1A delegate, Gloria Gastros, 2A delegate, and Anita Bennett, 3A delegate, complete the Executive Board. The Laurels is sponsored by Miss Madden and Hiss Hartwell.

CHESS CLUB

This club made quite a record by placing second last spring in the City Championship. We see Pres. Stephen Winikaitis, Iver Nelson, Casimir Sum, Mr. Meyers, sponsor, Don Neuman, Norman Thompson, and Vice-Pres. Arthur Block playing chess. The other club members are Charles Voyda, Raymond Rothfelder, Kent Nielson, Edward Cook, Bill Ristoff, Albin Kowalewski Don McClanahan, Dale Smetana, Edward Halberg, John Hutchison, Stanton Bieland, Gene Holmes, and Steven Maroulis. This spring the club won the city championship.

Singers and Songs Give Pleasure

Carol Rustemeyer, Leona Bianco, Shirley Lewandowski, Jayne Ann Traxl, Priscilla Repp, Kenneth Tansor, Margaret Rohleder, Tom Datz, and Byron Staffeld are rehearsing a number for the annual Christmas assembly.

Charlotte Schmidt, Gladys Pyka, La Verne Schlickenmeier, Grace Jones, Shirley Harrer, Patricia Akers, Margot Helm, Helen Dabich, and Jeanne Donnay are gathered around the piano listening to Beatrice Neuckranz play.

Lois Jean Anderson, Anne Kuss, Luann Colburn, Marjorie Buss, Joan Laursen, Robert Schaich, Bill Paulich, and Ray Dalton are also members of the Opera Club.

The Opera Club, newly organized by Mr. Wetzel, has become a huge success. The members have worked hard in preparing parts of "The Mikado" for presentation and they have been highly complimented on their success. They have presented it not only for the school assemblies, but also for the Kiwanis Club, a meeting of the Ideal Women's Club of Chicago which was held here at Schurz at the suggestion of Mrs. Gustav Brand, the Social Chairman, a meeting of the Illinois Tool Co. at the Palmer House, and at Miten, Illinois for the Irving Park Y.M.C.A. This has been a wonderful experience for those who have taken part in it and has proved a source of enjoyment to all who have seen it. The members who are not graduating hope it will be continued next year.

The Student Council Executive Board, which plans all the agenda for the meetings is listening to the report of Ronald Mathews, Chairman of the Board.

The officers of the Student Council pause in the midst of their plans for an active semester. Several conventions were attended by some of the officers in order to learn various methods of improving the Council here at Schurz.

Council Functions Efficiently

The regular medium of communication between the students and the faculty is the Student Council. The purpose of the Council is to express the students' opinion via representatives. These representatives are elected by each division. Among the Council's recent activities are the organization and operation of the Lunchroom plan, supporting and giving publicity to the athletic teams, and participating in the Freshman Orientation program. The freshman handbook acquainting Freshmen with Schurz was published by the Council and distributed to all incoming Freshmen this year.

Their Service Is Valuable

Pat Peradotte, Dorothea Smith and Gerry Wisnewiski, standing around the cart, are looking at the books which they will soon be shelving. Kenneth Debrovin, Joan Fieliung, Clare Groh, Alice Lowing, Zabelle Simon, Pat McGuire, Nick Bastounes, Dick Pedi, and Gerry Kaczmarek, also library assistants, are casting final glances at the books which will soon be placed on the shelves, ready again for circulation.

Florence Sachtschale and Bonnie Mager with their files, Frank Tichy, Glenn Christensen, and Edward Gramit with map, atlas, and globe respectively, make up the Map Room Clerks, sponsored by Miss Wincher.

Carolyn Guthaus is proudly displaying a poster for the American Jr. Red Cross Drive to Kenneth Shafer, Donald Kreutzinger, and Dorothy Tauber.

Margot Helm, Lauretta Kelly, Darlene Woods, Liola Burns, Nancy DeJonge, William Pauleck, Barbara Moskal, Janet Burkwest, Dorris Cimino, Alice Ravensback, Audrey Moreau, Roger Martinin, Ollie Pryor, Peggy Chalmers, Bob Dericks, Gloria Stade, and Dick Collins also work in the library.

Lois Meidinger, Barbara Ogren, Jane Carmichael, Marjorie McKim, Betty Johnson, Lois Yost, Meryl Kessem, Aurelia Gordon, Erica Kolb, Marion Bork, Andrea Johnson, Martha Psenka, Joan Warren, Irene Reitan, Miss Conerty, and Dolores Arnold keep the books ready for all classes.

It Pays to Know Mechanics

The job of the Schurz stage crew is to see that all the technical aspects of our assemblies are handled in an efficient manner. Kenneth Stahnke, Robert Cole, Harold Waldoch and Joe Moran, managers, Edward Kurtz, and the sponsor, Mr. Wetzel, check over the equipment which will be needed at a future assembly.

These boys help Schurz teachers to instruct their students visually, as well as audibly, through the use of films. The science and health classes are made more interesting with movies, and the movie operators give their time and effort in order that these classes might enjoy them. Mr. Hill is their sponsor and adviser.

Here is a view of the pump room, with the men who see that everything is in order. Bernard Schwintenberg, clerk in the engineer's office, and Asst. Eng. Rudolph Korinek are at the air pump which controls the thermostats. Fireman Harry McCrory inspects a vacuum pump as our Engineer-Custodian, Mr. Lies, Fireman Clem Mueller, and Asst. Eng. James Crowe look on.

If you think that keeping up such a large building as Schurz is an easy job, just take a look at the complicated electric switchboard which controls the school's power plant. Mr. Lies, Chief Engineer-Custodian, doesn't appear puzzled by the maze of switches, but we'll venture to say that not many others would be so calm.

Leona Krueger and Frank Staple, co-editors of the Fall Semester, work together to plan a newspaper that's a leader among high school papers.

It's First With the News

Covering the happenings at Schurz! Writing up club news, sports events, assemblies, interviewing outstanding Schurzites and famous people — such is the work of the Schurz Times Staff members, who are on the job early and late to see that the paper gets to press.

The Schurz Times Delegates act as intermediaries between the students and the Times Office, taking orders, collecting the money, and distributing the papers. Theirs is an important job!

It's Our Annual

Between the covers of the Schurzone, Schurz students and their families and friends can find a complete story of Schurz life in pictures and writing.

The Schurzone is by no means something new; through the years it has become a tradition. It has grown from the small monthly literary magazine of the early 1900's to the beautifully illustrated 9x12 annual which student talent brings forth today.

The book offers interested Schurzites the opportunity to take over responsibilities and to make use of their own special abilities. The Literary Staff, composed of seventeen Schurzites, spent many hours during and after school writing the material, typing it, checking names, and doing the many other things which go into the making of the book. The Schurzone delegates, one from each of the one hundred eleven divisions, contacted the Schurzone Office for their divisions, taking subscriptions, collecting the money when due, and turning it in to Miss Russell.

Miss Theobold was the literary advisor; Mrs. Williamson planned the photography and assisted with the typing; Miss Russell, financial advisor, took full charge of engraving fees, subscriptions and collections for them, and finally, the distribution of the books. Miss Goelz, too, stood by to give valuable advice and assistance. The Schurzone Staff takes this opportunity to say "Thank You" to all of them for their help.

Members of the Schurzone Literary Staff gather 'round to discuss and plan the copy for this year's book.

A "Thank You" is due all the Schurzone delegates who turned in the students' payments for the yearbook.

Jean Blasse, Florence Harwig, and Rosemary Shamberg helped Miss Russell check and bank the payments.

Leona Grueger, spring editor, and Lois Jean Anderson, fall editor, plan the '47 annual.

Many Voices Blend in Harmony

Youthful voices rising over the triumphant swell of the organ in Handel's immortal Hallelujah Chorus — such are the sounds which issue from the Assembly Hall during those weeks of rehearsal for the annual performance of the "Messiah."

The Schurz Chorus has given its school pleasure and renown for a great many years. In 1910, at the very beginning of Schurz history, the Carl Schurz Choral Society was organized to provide music for the graduations. Mr. Willard, a Schurz shop teacher and a fine musician, was its director for the first three years. In addition to the gradution music this group gave three light operettas, "Garden of Flowers," "King Rene's Daughter," and "Rose Maidens."

When Mr. C. Lagerquist took over in 1913, music became a fulltime subject at Schurz. Under his direction the Choral Society gave twenty annual concerts, performing the great Oratorio "Elijah" four times.

After Mr. Lagerquist's death in 1930, Mr. Leroy Wetzel came to Schurz and organized the Solo Chorus. By 1934, six hundred students participated in the "Messiah" with a sixty-five piece orchestra under the direction of Mr. James Mason.

It was on October 12, 1934, that the Solo Chorus was invited to sing at the Columbus Day Pageant at the World's Fair. More than 18,000 people were present when the chorus sang the Invocation, the Sanctus Benedictus, the Hallelujah Chorus, and the Panus Angelicus, under Mr. Wetzel's direction.

In 1938, the Solo Chorus won the honor of representing Illinois at the National Music Convention held in St. Louis, Missouri.

The splendid pipe organ which has helped Schurz to become a leader in high school music was dedicated on the evening of April 8, 1936. This occasion ended twenty years of work on the part of students, alumni and faculty. The chimes were dedicated to Mr. Pettersen, an assistant principal at Schurz for many years, who did a great deal toward making our organ a reality. The vox humana was dedicated to Mr. Lagerquist.

At present the Solo Chorus still is one of the finest in the city and for the fourteenth consecutive time Schurz received an "S" rating in the Chicago Public High School Choral Competitions held in January 1947.

The Schurz Symphony Orchestra is the most advanced group. The students work their way up from beginners' to intermediate, to advanced intermediate, and finally "graduate" into the Symphony Orchestra. This group gives a concert every semester, plays for all commencements, takes part in a city-wide orchestra contest, and accompanies the Solo Chorus in the annual presentation of "The Messiah." Many of our alumni are playing in the Chicago Civic Orchestra and doing other professional work. Colleges have also welcomed our alumni, especially where there are shortages of viola and bass players in particular. The Symphony Orchestra consists of string instrumentalists, and wind and percussion players who are members of the Concert Band.

Beginning Musicians Reach the

Lusena Anderson, Betty Ryckman, Miriam Swanson, Ronnie Kuhn, Earl Colum, Elaine Stuebner, and Erna Schmaehl are shown demonstrating string basses, the instruments important in contributing to the foundation of music and its rhythm.

Members of the Beginners Orchestra are waiting for the directions of their conductor, Mr. Fischer. Proudly holding their violas, cellos, and basses, they are experiencing the thrill of cooperating with others in learning to produce inspiring music.

Another Schurz music group is the Intermediate Orchestra, next in order after the beginners. They have already begun to unite their efforts in producing worthwhile results, and have found that it is well worth the time and energy spent in preparing such music.

Heights in the Symphony Orchestra

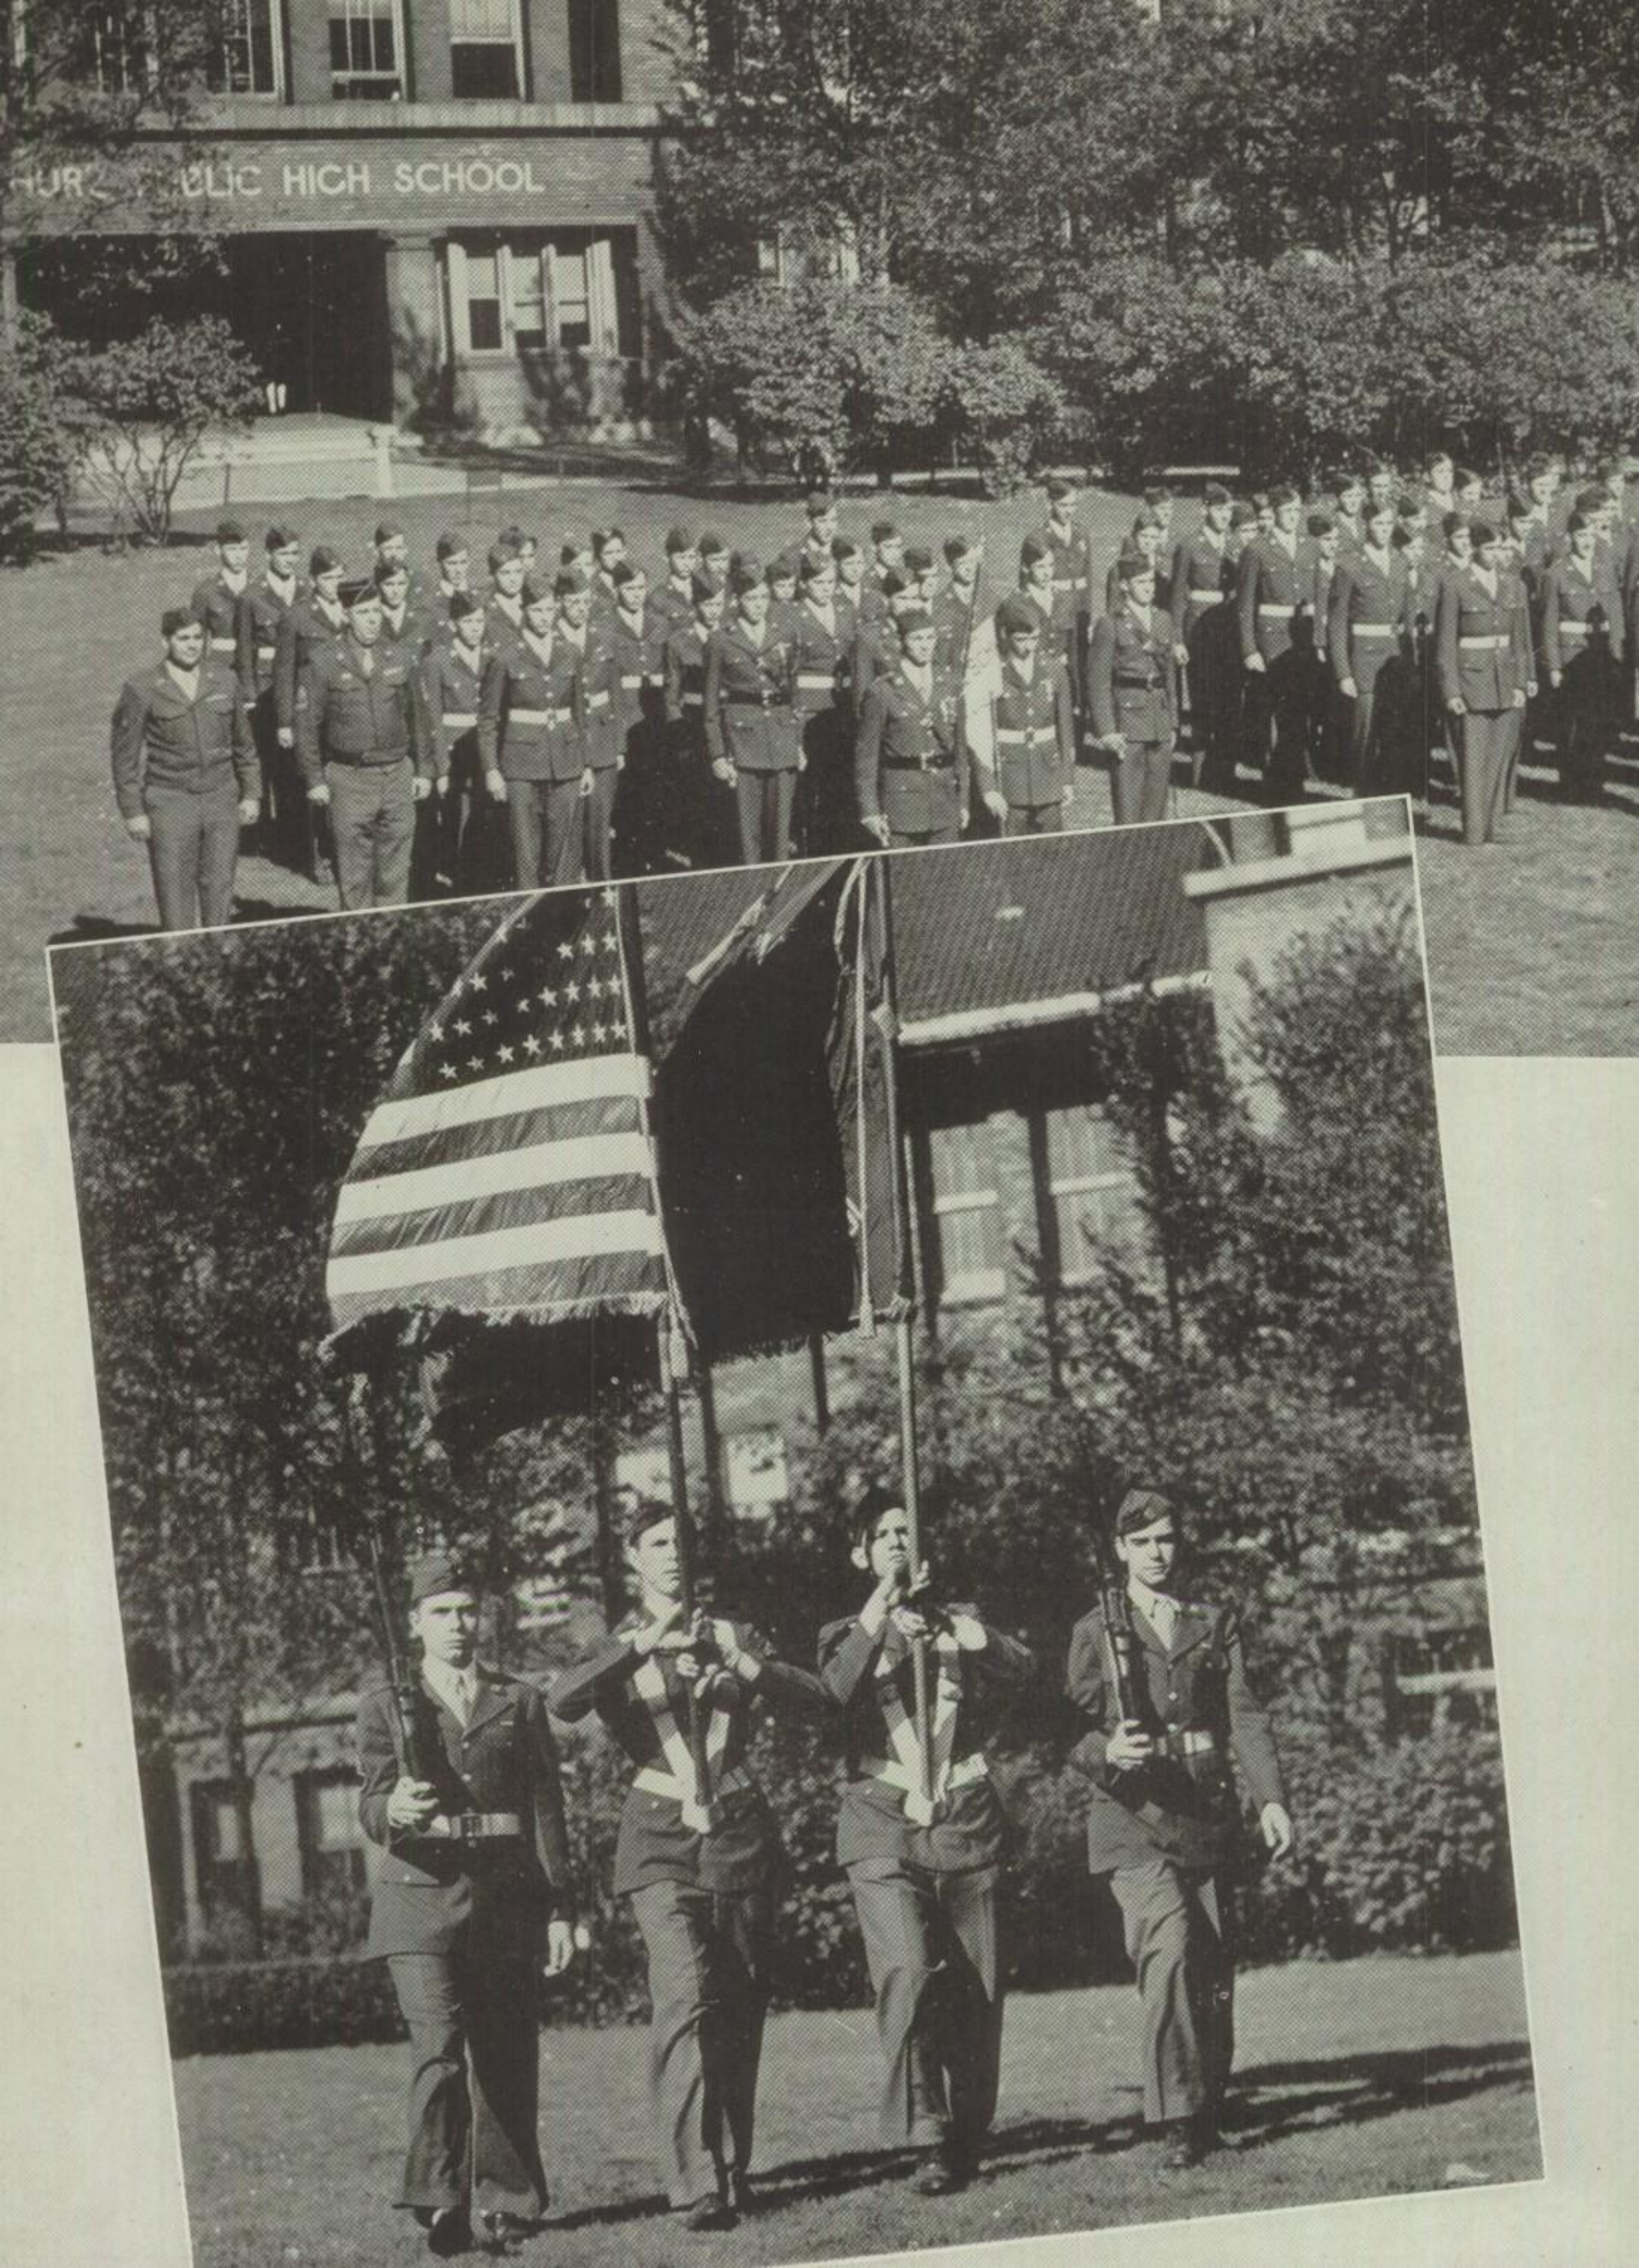
Our Band . . . The Pride of Schurz

Through almost eleven years of constant service to Schurz High, Capt. C. Harvey piloted the 1946 Concert Band again to an "S" rating in the Chicago High School Band competition. With high spirits and "deep breaths" the Concert Band members again proved their ability to the audience and judges alike. Although the music lasted only a few minutes on the stage, untold hours were spent by students and instructor alike to perfect their technique. Extra periods of practice were assigned all players, so that they could practice alone with their own sections and have more personal attention from the instructor. This extra time spent practicing outside the regular Concert Band period paid dividends, for the music was as good if not better than in the previous years. Two events, important to both the members and the school body, are the Spring Festival and the Fall Concert, in which the band participates. The music heard at these affairs is always entertaining, and lingers in the halls for many days after. The Festival and Concert are always eagerly awaited and happily remembered, for they are the high spots for the band during the year. One of the advantages offered by the band is that a student entering Schurz may learn almost any instrument he chooses, using the school's supplies. This is a great advantage to entering freshmen who are eager to learn to play a musical instrument, but who have never had the opportunity to do so. Students, of course, are welcomed into the Band after they have learned how to play. We here at Schurz are very proud of our Concert Band and of our hard working Concert Band members.

Forward with the Military Band

At football games, at school affairs, in parades of all kinds our Military Band can be seen entertaining the crowds. The brisk, military beat of the drums is heard first of all in any parade, and soon the entire band and its members, with their smart, neat uniforms and shining instruments, is seen coming down the street. Scenes like this have thrilled Schurzites for many semesters, and in all likelihood will thrill them for many more, for the Military Band has always taken an active part in our activities.

Schurzites, too, will never forget the sight of the Band at the colorful football games in the fall. The well-deserved rest at the half period of the game is a fine time to watch the band go out on the field, salute the other side, and finally walk off to the tune of the Schurz football march. The games would indeed be missing a very important element without the presence of the band and the gay baton twirlers who precede it. The Schurz Military Band is an essential part of the school and the Music Department and we are indeed proud of it.



HIGH SCHOOL

Capt. R. Metzger, Capt. Adj. Pillman, Lt. Col. R. Goers, Maj. F. Monkman, military instructors, Sgts. Hill and Mezzatesta and Mr. L. P. Roncoli, advisor, are planning the gala military ball which took place on Nov. 27, 1946 at the Evanston Club.

The R.O.T.C. On Parade

The main source of officers for the army reserve is the R.O.T.C. The national R.O.T.C. had its inauguration in the Morill Act of 1862. Since its founding the Schurz Unit has steadily grown to its present size of over 200 officers and men. These are divided into five companies. The color guard has various duties, which include carrying the flag at all R.O.T.C. events, as assemblies, football games, etc. Here we see Bob Hotten, Byron Staffeld, Bob Walaski, and Tom Cantrell. Jerry Zarnek and Bill Aherens, members of the color guard, are not pictured. The executive staff also has numerous duties but the one the members like best is the one they were engaged in when this picture was taken, planning the gala military ball. Sgt. J. F. Hill came to us as our military instructor after serving 10 years in the army. He has the Presidential Unit Citation and the Bronze Star among other decorations. He spent 16 months in the Pacific and since coming to Schurz has sponsored the military ball, the usher's club, the riflemen's club, and is running a crack R.O.T.C. unit. Sgt. Hill is assisted by Sgt. Brown who has been in the army for three years, and is coaching our rifle team.

R. O. T. C. Dances, Drills, and Fires

The military ball was held November 27 at the Evanston Club and Gail Walmsley was chosen queen. Her court consisted of Barbara Loew, Joy Wardle, Joan Hass, and Ruth Olson. Johnny Olin's band provided the music and Sgts. Hill and Pate sponsored the ball with the help of several faculty members and the parents of the executive staff. It is an event to which all look forward.

The Schurz Picked Platoon took north section championship and placed fifth in the annual drill competition. The Usher's Club has an important job in being present at all school assemblies and evening events. The Rifle Team has been piling up quite a score for itself in numerous competitions, meets, and matches. Here we see some of the members getting in extra practice.

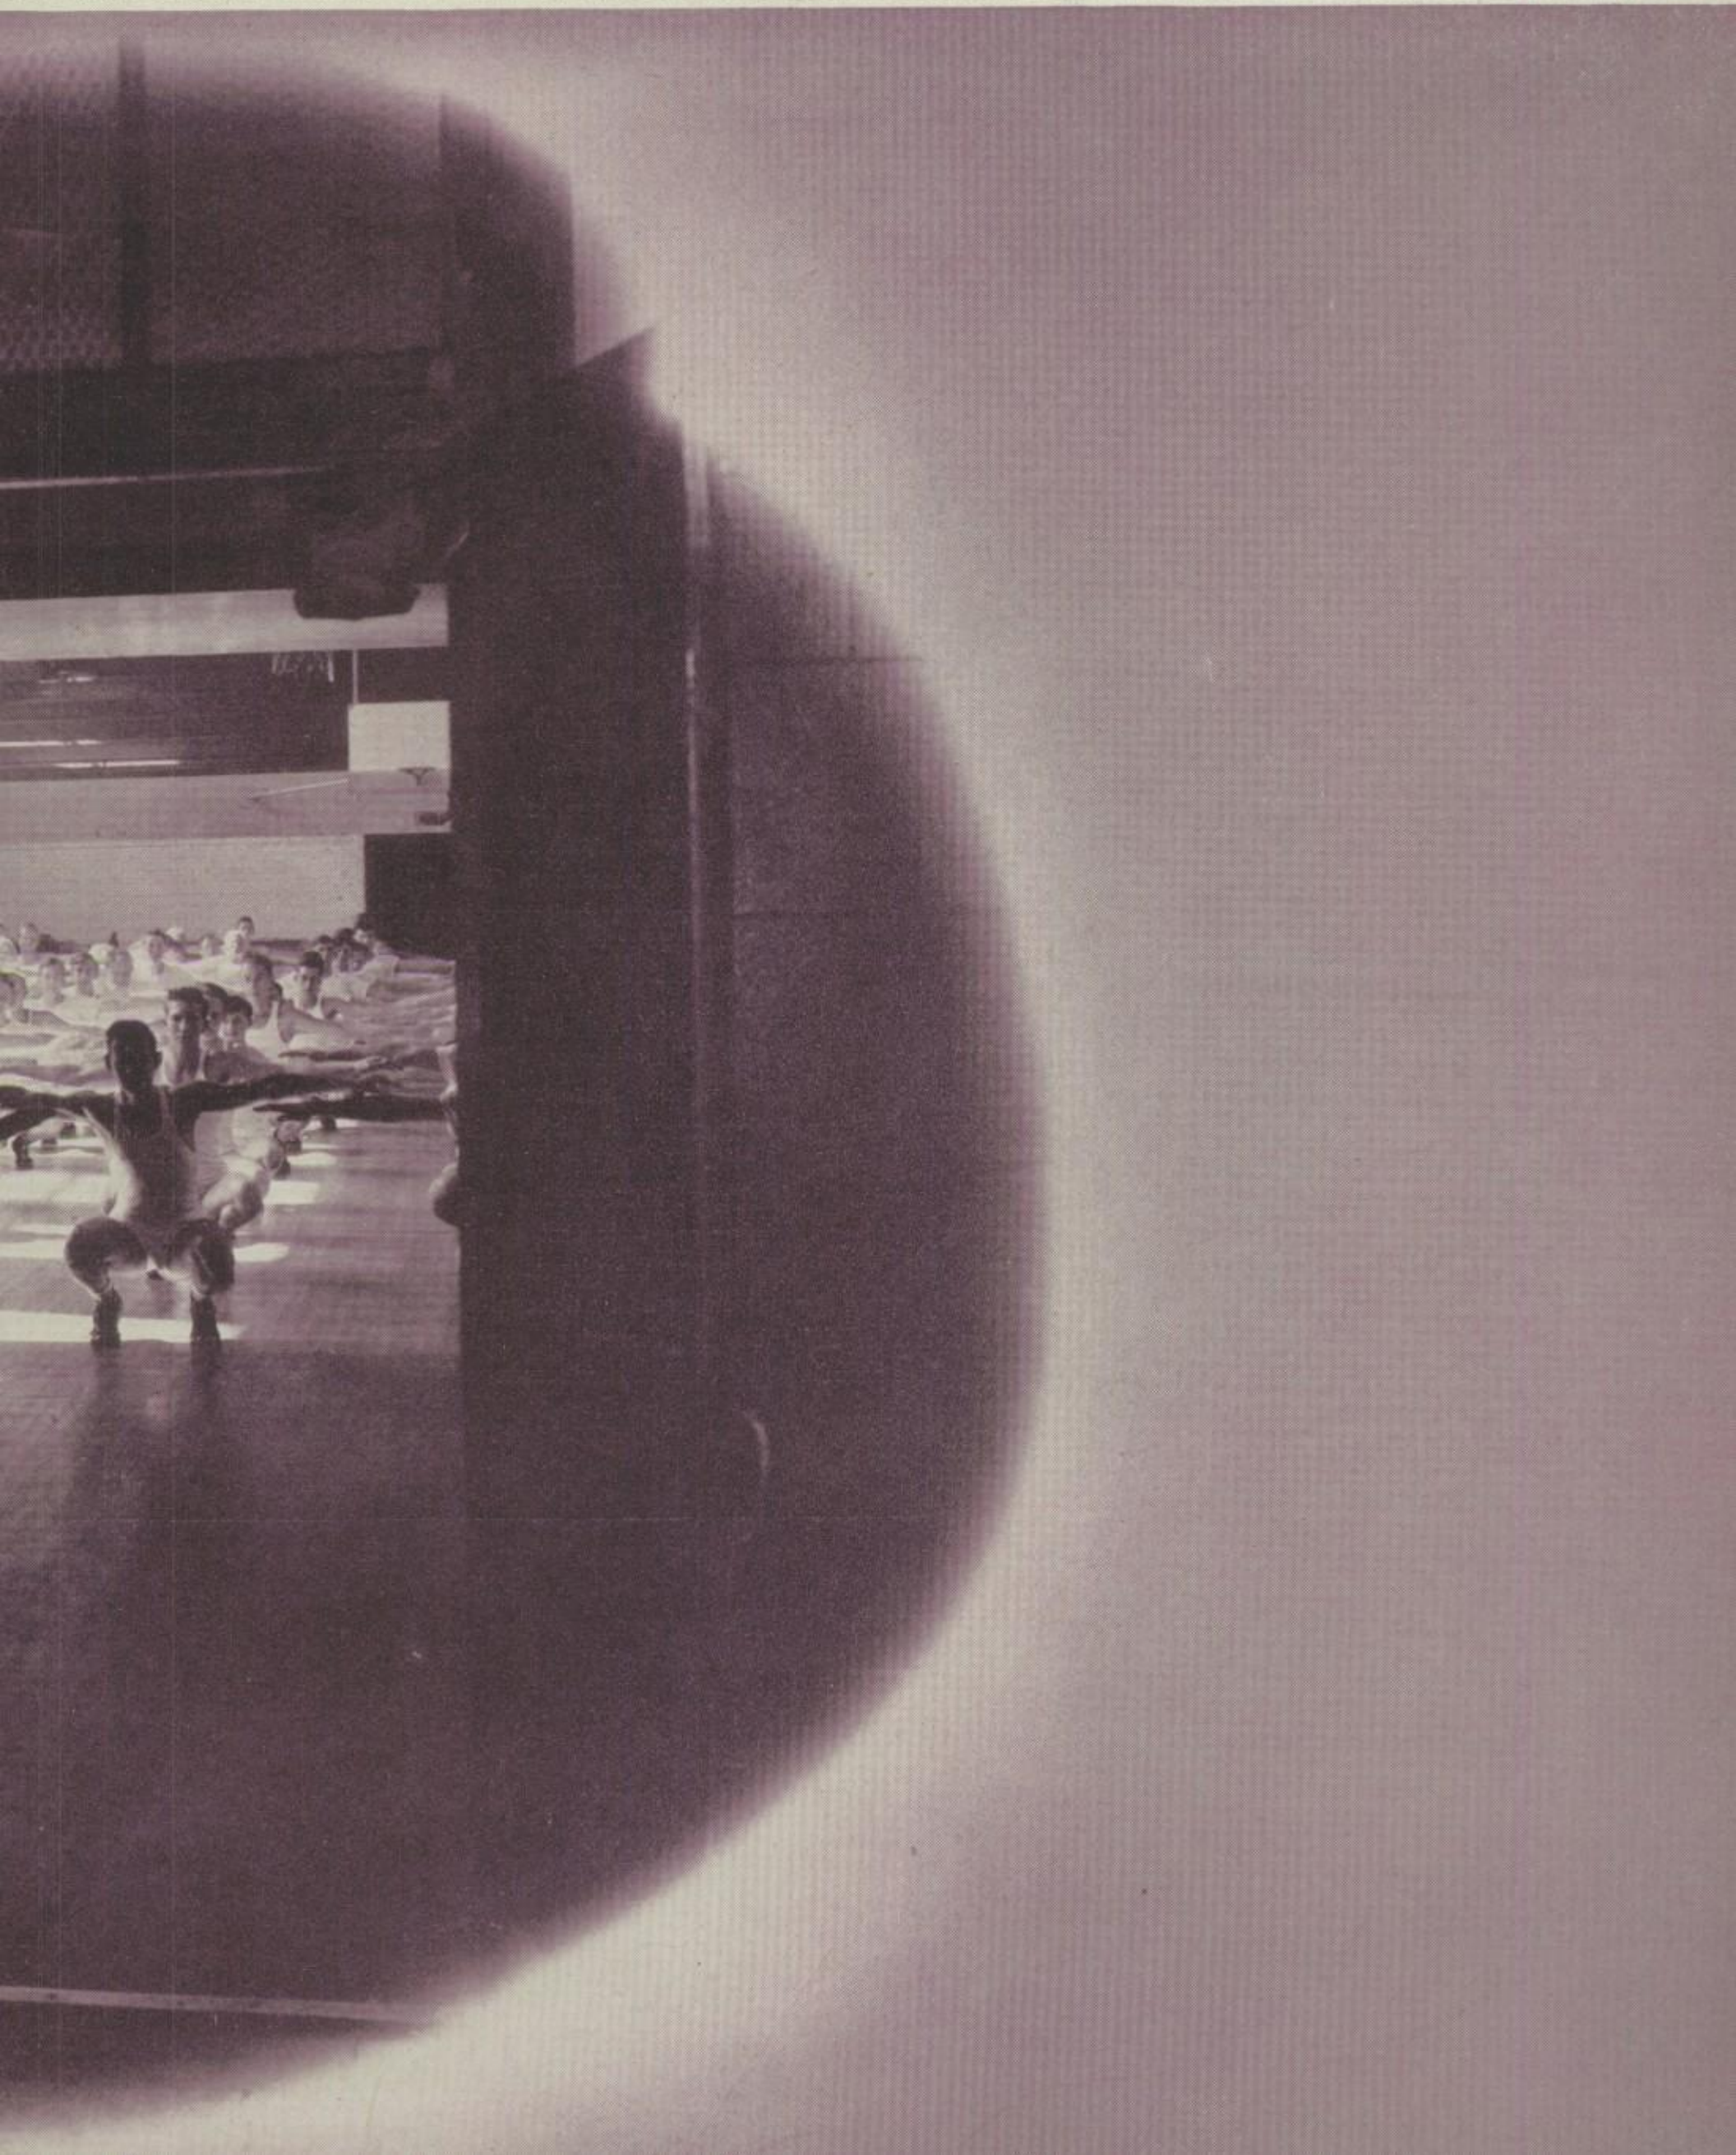
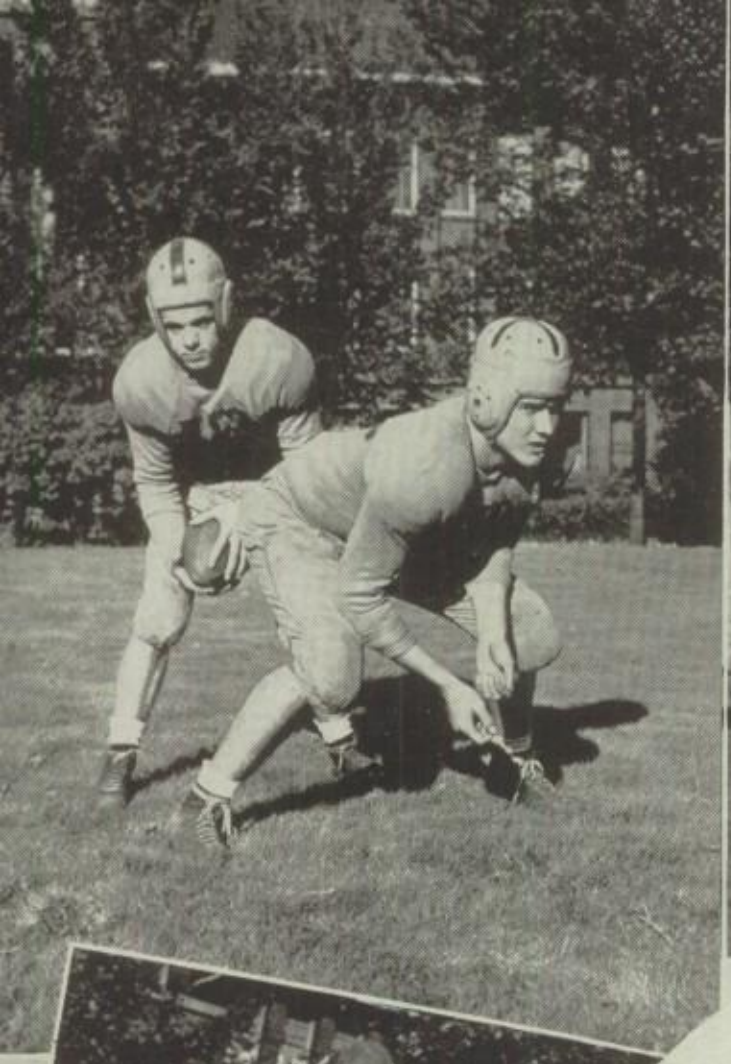
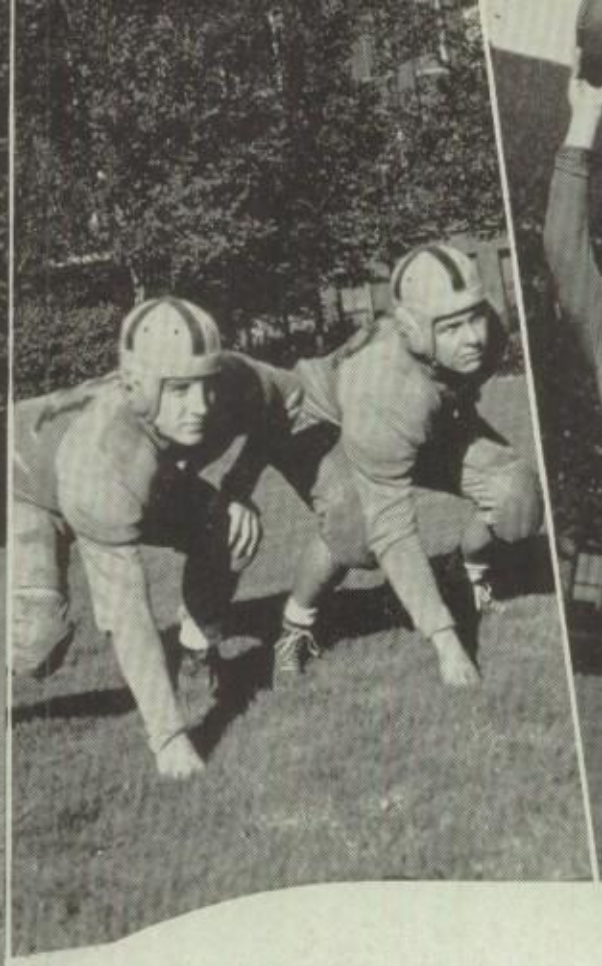
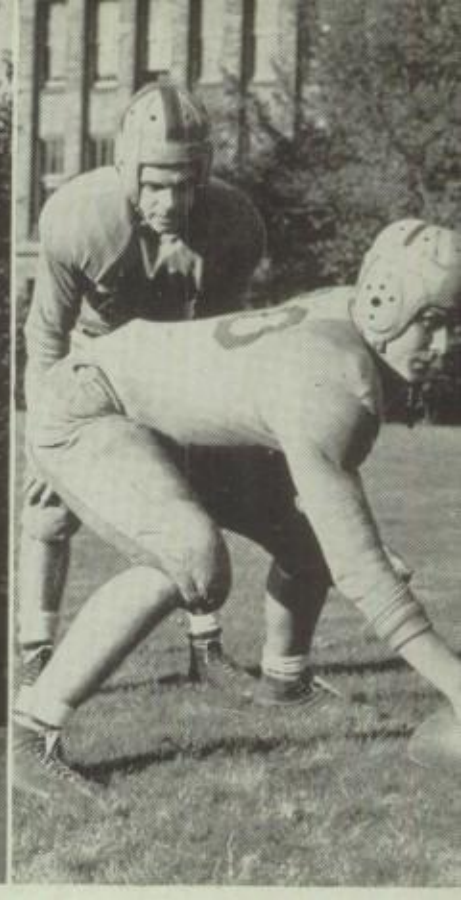
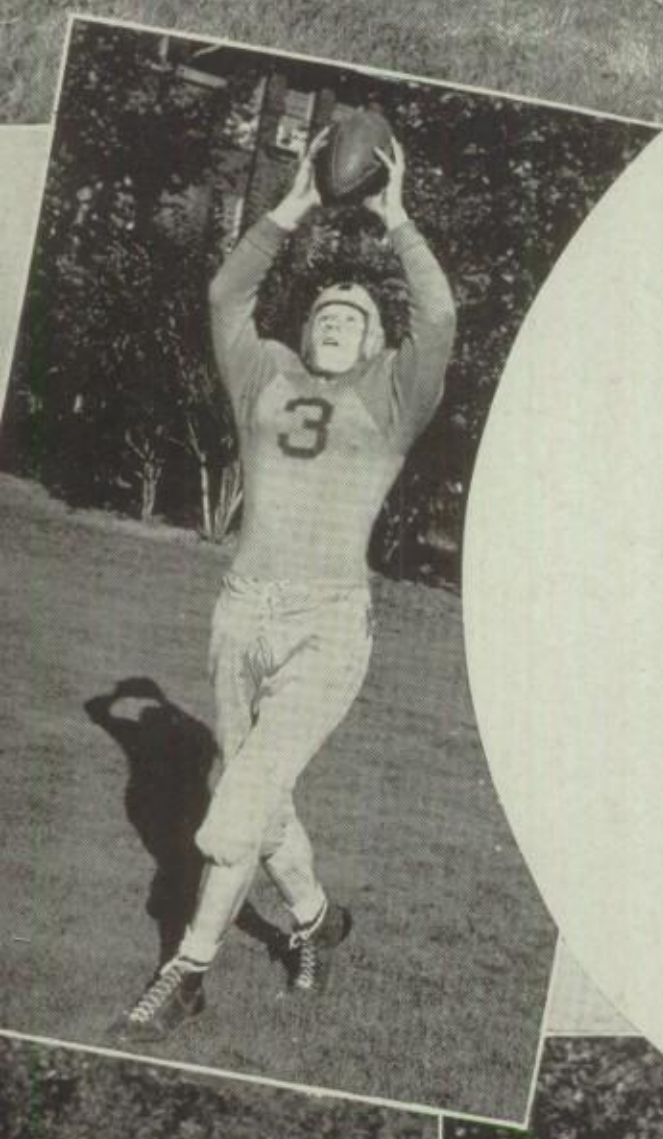
ATHLETICS





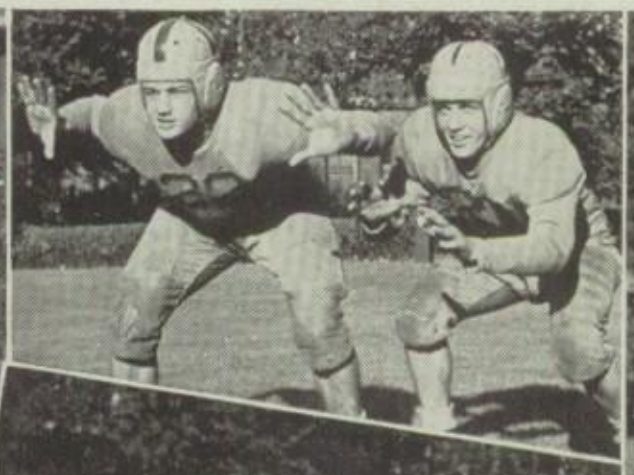


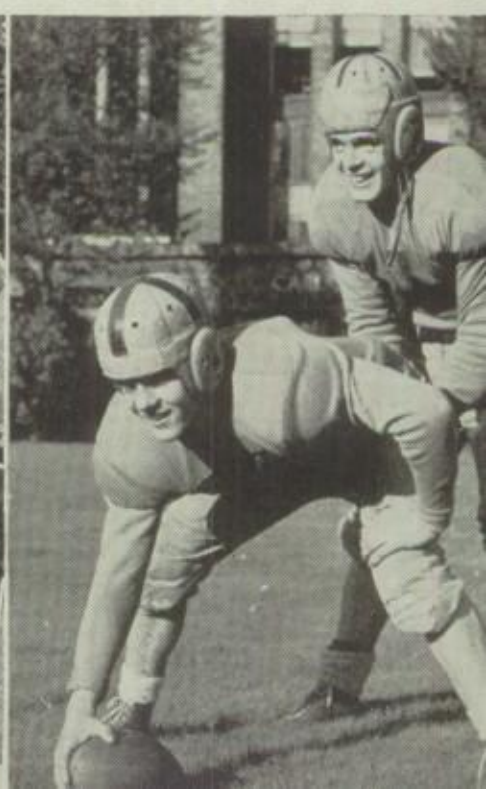




Grid Stars In Action

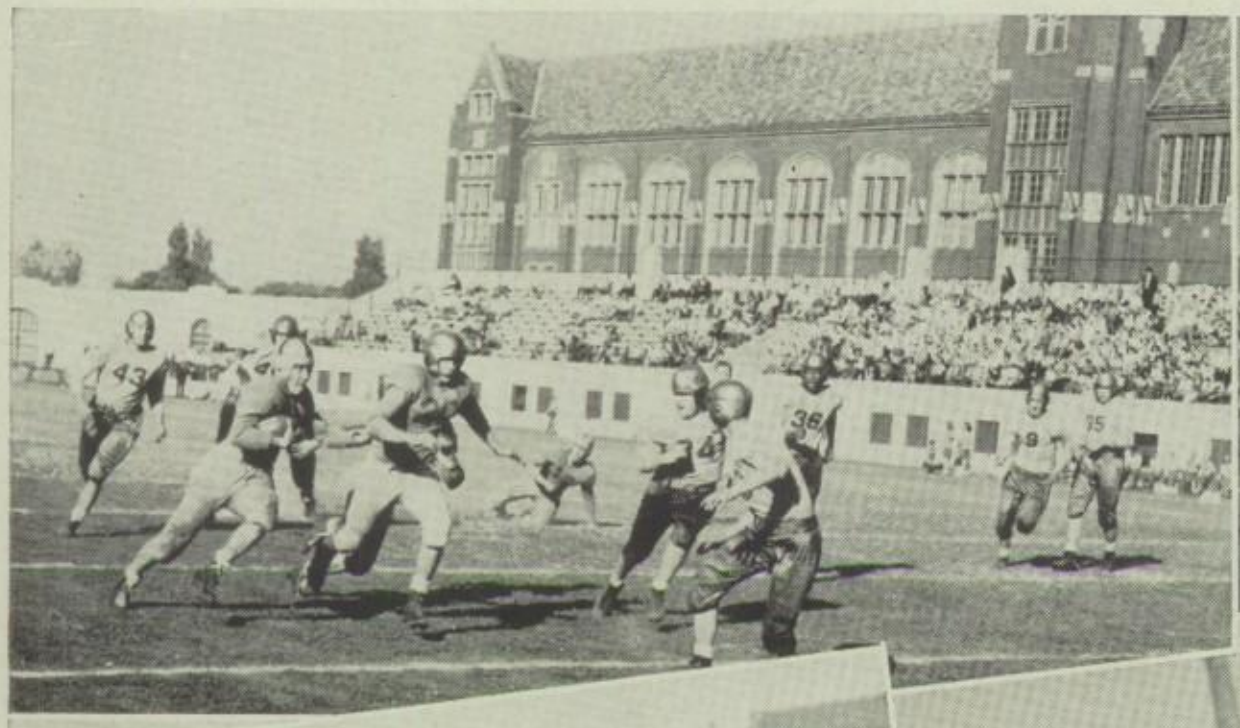
Reading clockwise we find (upper left) Merle Jones, quarterback and Al Mayer, center; Irving Sedjo and Ernie Plechaty, tackles; Harold Waldoch, end; Jones and Mayer again, ready for action; Gene Ellery, center, and Jim Eddington, quarterback; Bob Downey, end; George Paturalski and Tom Ellery, guards; Harry Lally, back; Downey on the receiving end of a pass; and Ronnie Ziemek, half back. These boys, along with their teammates, helped to comprise another of the feared Schurz football squads that have been among the toughest in the league for many years. They lost only two games all year, one by a single point at New Trier, a practice game, and the other a 6 to 0 heartbreaker to Lane which cost them the section title. This was another of the Schurz teams with the traditional spirit which inspired them on to heights that almost led up to championship. These boys formed a well-knit, hard-working organization that was always fighting and trying to play the game to the best of its ability. The spirit was high among the players and was transmitted by them to the stands where they were cheered by the ever-present Schurzites. Although they were not officially crowned champions, they were of that caliber nevertheless. They are proud of their coach, Mr. O'Keefe.

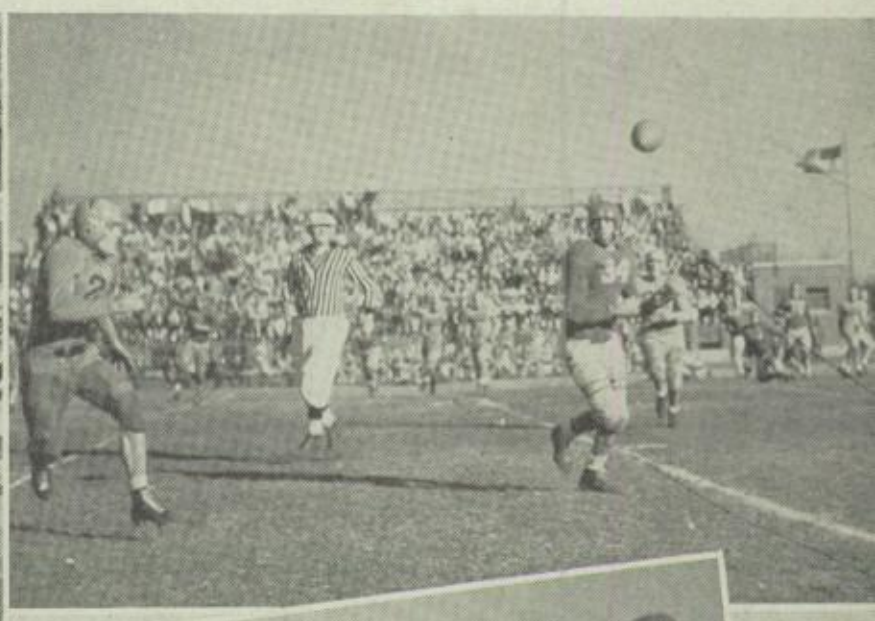


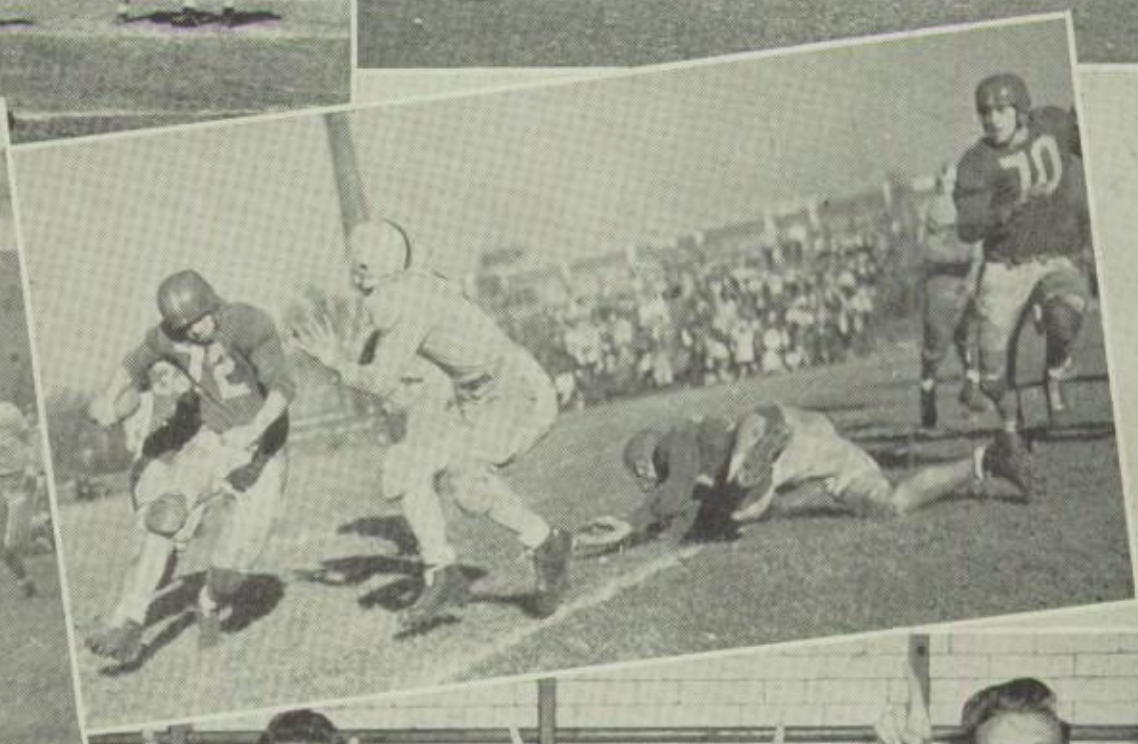


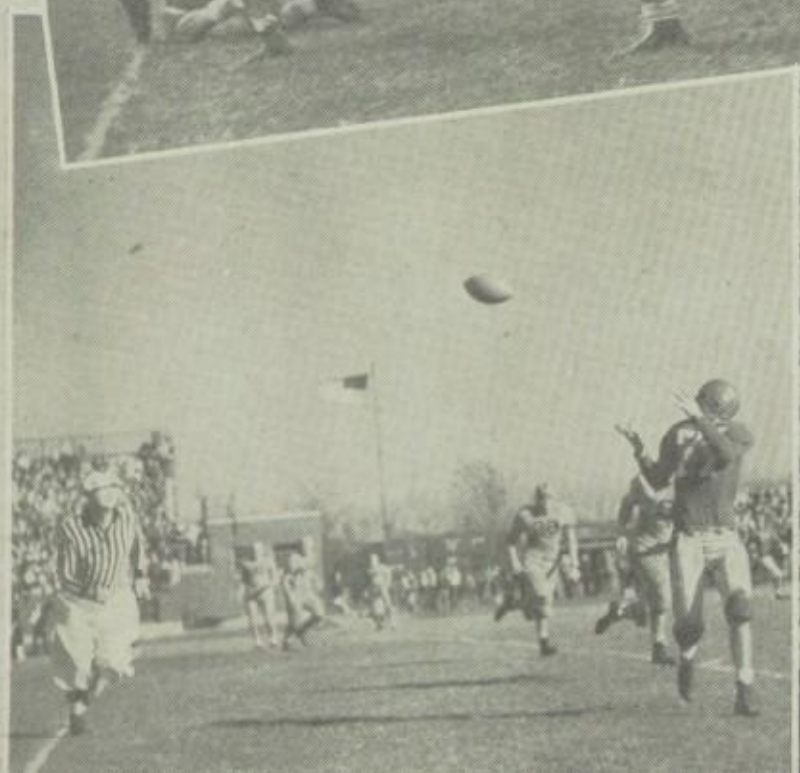
Cheer Leaders Add Color and Spirit

When Adolph Plank helps Johnny Miller on a touchdown run, as he is doing during the Waller game (upper left), it is no accident. Adolph did not just happen to be there at the right time; the entire play was carefully mapped out before hand. Our team is built on this kind of teamwork and that is how we placed high in the section. Lally receiving a punt, Downey making a touchdown run, Ziemek ready to tackle, and Sedjo running to tackle his opponent are some of the high spots of the past season. Joan McDowell, Mildred Lakowski, Marge Jaax, June Pawlias, Dan Platt, Richard Johnson, and Bob Settner are the cheer leaders who added so much to the football games. Their colorful costumes, their pep, the originality shown in leading the cheering Schurzites, and their faithful attendance at the games helped in no small measure to keep up our team's fine showing.









Gridiron Performances Sparkle

Coach Fred O'Keefe and George Paturalski hold a last minute huddle. Adolf Plank and John Miller listen to Elmer Sahlin's sound advice.

This is the varsity squad which went through the season undefeated until it met with its traditional cross-town rival, the Lane Tech Indians, in a thrilling but disappointing battle on a rain soaked field. The outcome of this terrific battle was decided by a lone Lane touchdown.

These are the future stars of the Schurz gridiron. As frosh-soph they won acclaim as a good team to be reckoned with. It is a promising team with good prospects for next year's varsity hopefuls. It will be up to them to carry on where graduating members left off.

Both of the football teams representing Schurz were worthy of well-deserved praise for the showing they made against all opposition. Whether they won or not, they always fought hard and always gave their all in trying to bring victory and acclaim to the already famous name of Schurz. Two of the varsity players, John Miller and George Paturalski, deserve particular mention for placing on the All-City team. Miller was also chosen for All-State honors.

Rinks or Lanes for Them

Alfred Penzetti, Charles Druhot, Lou Martensen, Tom Wold, and Don Pack make up the Ice Skating Team coached by Mr. O'Keefe.

K. Dvorak, E. Wendt, J. Favell, G. Lowe, E. Nosko, B. Lemcke, R. Plein, A. Schmarje, S. Hersey, W. Mounsey, G. Huevelman, B. Tabisz, C. Mrozek, B. Christianson, J. Rubey, A. Dickens, D. Meisner, D. Eurich, R. Hinkey, D. Steiner, G. Rurik, G. Doder, L. Palmer, S. Kostelny, I. Selof, L. Otterback, S. Ciran, B. Brockway, Mr. J. Tanler, coach, with J. Prang, all members of the Bowling Team.

Best Wishes
Bob Lemcke

The Ice Skating Team placed first in the city relays with A. Renzetti, C. Druhot, L. Martensen, and D. Pack making up the relay team. Renzetti also placed first in the 440 dash and Druhot fourth in the 660 dash. This was their only appearance in competition, due to the warm weather at that time.

The Schurz Bowling League, consisting of six teams, finished its first year in the American High School Bowling Congress on March 2 5, when it bowled its last league game. High men during the season were Al Schmarje, Sam Ciran, Casey Mrozek, and Kenny Dvorak. In the December 30th single and double A.M.H.S.B.C. tournament the Schurz Bowling League rated highest.

Senior Cagers Finish Strong

With the help of such standouts as co-captains Herb Rex and Roy Puls, the senior basketball team finished the cage season in fifth place in the North Section standings. Teaming up with Rex and Puls in making up the first string, we find Art Johnson, Howie Roszak, and Billy Hutchinson, whose performances also contributed much to the success of Coach Nowak's squad. From this starting five only Hutchinson will return for next season's campaign. Hal Newsom and Kenneth Shafer will be among those whose efforts will be missed, next year, as they too are graduating. All will not be lost by graduation though, since Ed Lutsch and William Byrne will be on hand to help next year's team. The past year's record shows that Art Johnson led in total points while Herb Rex's average was tops. These fellows helped spark a fine Schurz team with high scores.

Juniors' Comeback Is Exceptional

J. Van Hauter, B. Heintz, R. Buckhultz, C. Druhot, G. Sullivan, T. Angsten, H. Skladanowski, J. Sagat, D. Craglione, E. Barcal, A. Schmidt, B. Tomljanovich, K. Wolf, Coach Pollack, C. Krause, L. Gross, K. Van Spankeren, R. Collins, D. Gremley, and B. Roche compose the Junior Basketball team.

Van Hauter fights for the ball; Wolf stands by.

Wolf prepares to take advantage of free throw.

The Junior Team lost one game at home and won its five last games of the season's series. The outstanding member of the team was Ken Wolf, All-City and All-Chicago center. Sagat, Craglione, Van Hauter, and Skladanowski showed great improvement toward the end of the season and were valuable members. Substitutes stood by ready for action and added to the team's success. In the Amundsen game Schurz Juniors made a new scoring record with 81 points to their opponent's 41, with Ken Wolf scoring 47 points alone—a school record.

It's Hurdles, Relays, and Sprints

The Senior track team comprises W. Gibson, E. Ernst, R. Archer, R. Zak, R. Bengtsen, B. Lee, R. Pedi, F. Schwind, D. Schneider, D. Eurick, T. Lewis, A. Gawyrch, B. Altman, A. Fischer, R. Daniel, S. Dupo, H. Dean, J. Prang, D. Platt, R. Braschel, M. Abbinante, H.Waarich, S. Markus, W. Brennan, J. Magdaro, S. Kozlowski, B. Staffeld, R. Gaston, W. Brockway, H. Olman, W. Hutchinson, H. Newsom, J. Zurek, R. Peterson, D. Neuman, A. Weldon, J. Pionke, H. Lally, R. Martini, R. Berger, W. Glisson, H. Reuter, and G. Wahlborg. The success of the team can be attributed to Coach G. Topping.

The Junior team includes K. Swienton, H. Chen, E. Lundgren, H. Wood, T. Poehlman, T. Wold (Capt.), R. Polzer, J. Gieze, J. Bodgan, W. Gibson, K. Holt, F.Sieloff, J. Rubey, J. Glonske, T. Yeager, R. Gattorna, J. Bergland, W. Prebis, R. Graca, S. Markus, T. Waskel, J. Simmons, J. Rozo, R. Janke, L. Barbe, W. Vrablek, T. Urban, M. Reese, L. Olman, T. Lewis, R.Peterson, S. Kotarski, K. Feith, R. Hinkey, R. Meyer, W. Gardner, H. Randolph, with Coach Topping as the guiding genius.

The Senior team, coached by Mr. G. Topping, with the help of such boys as Waarich, Newsom, Archer, Schwind, Lally and Captain Ziemak, enjoyed a traditionally fine season, winning the indoor city championship among other honors. The juniors suffered from inexperience but improved enough during the season to take a fourth in indoor city. Thanks to Swienton, Holt, Poehlman, Captain Wold, and the other members, the season can be called successful, and the experience gained will be helpful next year.

Successful Teams!

In the top picture is the cross-country team which terminated a successful season by taking a fourth in the city meet. The team won a trophy at Leyden and earned a third place in the Daily News event. Among the boys were such consistent performers as Waarich, Berger, Bengsten, Weldon, Poehlman, and Zurek on a squad captained by Bob Kunz.

In the next picture is the soccer team which boasts a city championship and a county co-championship among its laurels. After a disheartening start, the team rallied and rolled steadily to a place in the city semi-finals where it edged a tough Crane Tech team for a chance in the finals. A 7 to 2 victory at the expense of an overmatched Tilden team gave the Schurz boys a city championship, their first in twenty-two years.

Bob Zak, Dick Zurek, Bob Kunz, Bob Berger, Harry Reuter, Ralph Bengsten, and Herman Waarich are some of the members of the cross-country team which had other teams worried when they met up with these boys.

Bob Zogman, Lou Barbe, Bill Conterio, Don Mason, Rolf Halvorsen, of this year's champion soccer team are seen here in a practice session.

Swim or Wrestle . . . It's Fun

Hard work and clean living are assets for anyone's success, but they are only the fundamental requisites for the mat boys who aim to be champions. Although the '47 team was not a championship team and suffered many casualties in the course of the season, it did manage to win two of the five meets in the season's series. Joe Richards placed third in the city meet. Harry Jensen and Howard Gumilar were consistently good performers throughout the season, although they did not place in the finals . . . Bob Busch, John Briglow, and Bob Kaleth were the stars of the swimming season, making all of the points in the state and city meets. Busch won the 100-yard swim in both meets and ended the season as an undefeated champion. Glen Smith, Howie Fibich, and Kenny Mattson, a newcomer, were the most reliable performers on the junior team.

Dave Shoberb, Ted Lewandowski, Jo Kapustka, Ed Kosmoski, Ed Winikaiti Jim Borel, Bill Wilhelm, Bob Sla (manager), Art Holm, R. Vincent, I Forbes, Bill Ahrens, Bill Conterio, Ro Swanson, Al Kunz, Joe Meindle, Jo Cukla, Rodger Chapman, Wayne Sode strom, Dan Socha, Bill Herling, an Jim O'Leary comprised the wrestlin team. Capt. Joe Richards and Co-Cap Harry Jensen give a demonstration fo Coach O'Keefe.

The swimming team included Ed Giez Bill Krenz, Gerald Himmler, Lawren Juul, Ed Rokosz, Harold Krueger, I Gnarro, Howie Fibich, Ed Herlund, Ji Lawson, Ralph Ellert, Jim Stromeye J. Siegel, John Briglow, Ray Naegel Frank Gerstmayr, Ron Bellman, Da Lane, Joe Prang, Don Miller, Jo Pecoraro, Dick Janislowski, Hans Olma Wes Miller, Dick O'Brien, Bob Busc Bob Kaleth, and Ed Dziatlik. Mr. Ha is the coach.

Andy Ritro, Ara Pedian, Bob Hanus, Jim Nevin, Dick Yurosky, Jimmy Eddington, John Schmalzer, Don Schmalzer, Chester Cwiertina, Frank Gurecki, Vail Engh, Roger Gustavson, Ken Wolf, Bob Deering, Vern Stefanski, and Roger Martini (manager) make up the 1947 baseball team coached by Mr. Nowak.

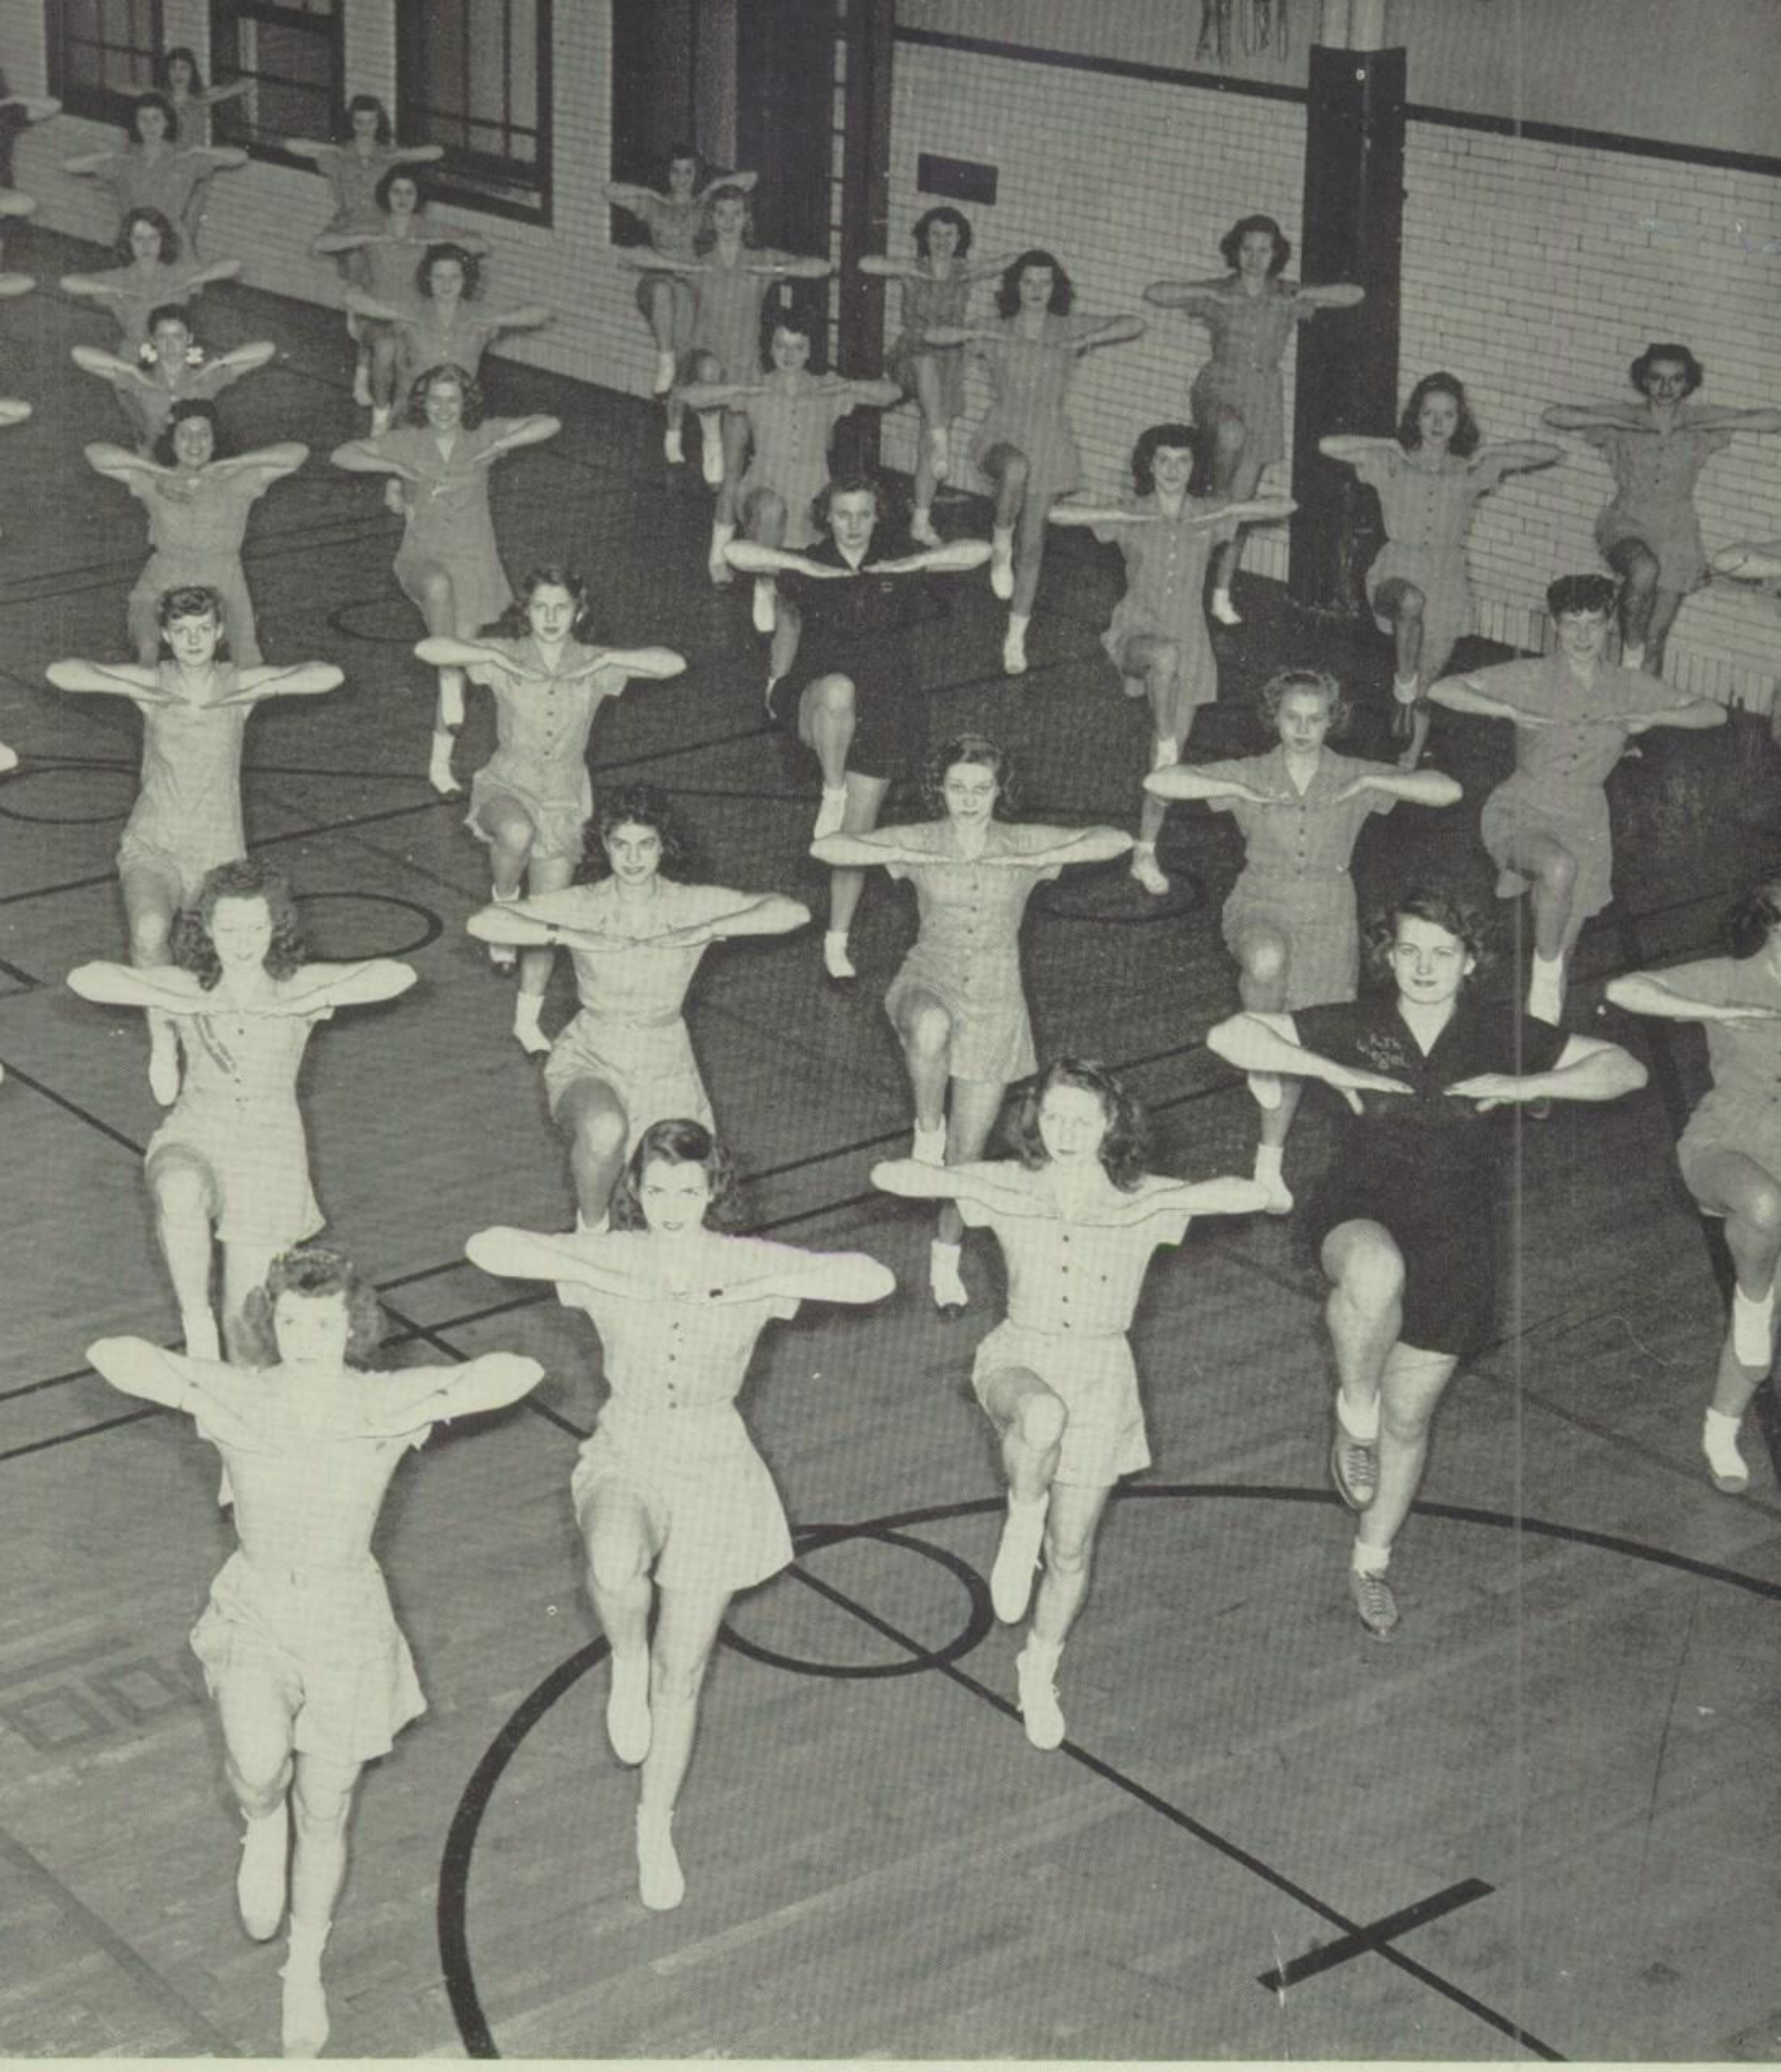
Let's Play Ball

Entering the '47 campaign with five returning lettermen from last year's squad, Coach Nowak's hopes for a successful season were bright. Led by Capt. Jim Nevin, the first team of Willie Koslowski, Vern Stefanski, Ken Wolf, Bob Deering, Frank Gurecki, Andy Ritro, and Ara Pedian began League play after their pre-season practice was confined mostly to indoor training because of bad weather. Above we seen Ken Wolf throwing to first base; pitchers Vail Engh, Jim Eddington and John Schmalzer warming up; Wilfred Koslawski and Vernon Stefanski at bat and Andrew Ritro sliding into 2nd with Frank Gurecki making the play.

"Physical fitness" is the watchword of the Schurz gym teachers. The "girls in green" are instructed by Miss Hawkins, Mrs. Perry, Miss McRae, Mrs. Sugarman, Mrs. Mecca, and Mrs. Carlson in gymnastic stunts and vigorous games.

The Freshman girls demonstrate various positions on the parallel bars, under the direction of Miss Hawkins. These girls must also participate in the routine swimming work in addition to the regular gymnastic classes.

Parallel bar stunts take thought, body co-ordination, and some nerve on the part of the performer. These students show fine form in demonstrating some of the stunts for onlooking classmates who await their turns at the bars.



Perfection Is Their Goal

One of the regular classes in the large girls' gym goes through an exercise which remedies faulty posture and promotes steady balance. Mrs. Perry and Mrs. Sugarman lead the girls through these routine exercises which keep them limber, straight, and strong, and give them poise and graceful carriage.

They Are Agile and Skillful

Officials for the Open House Night Demonstration in the girls' gym were Lillian Hart, Bernice Maday, Lora Bobsin, Patricia Vaughn, and Frances Noble.

The G.A.A., under the sponsorship of Miss McRae, and the leadership of Mary Leschuck, Shirley Dreuth, Dolores Hanson, and Marilyn Morrow, planned its well-balanced program at such meetings as this.

Some girls aim for the bull's eye on the dart board while others are engrossed in checker games in this special gym class of recreational activities.

Open House Night in the girls' gym was made exciting for the visiting parents by these athletic girls, who display fast-thinking minds and agile bodies.

Joan Schlenvogt, one of the members of Mrs. Carlson's Bowling Club, demonstrates perfect bowling form while other girls look on with critical eyes.

More bowling enthusiasts who contribute to the good of the club pause in one of their invigorating games. Climaxing the year will be a Bowling Banquet where awards will be given to outstanding team members.

Mermaids Develop Grace and Precision

The shimmering water of the Schurz Pool reflects the faces of these aquatic-minded girls who comprise the Water Ballet. Their faultless precision, their graceful strokes, and their willingness to learn can be credited to the teaching and patience of Miss Hawkins, the club's sponsor. Mary Leschuck, President; Dolores Hanson, Vice President; and Gloria Gastros, Secretary-Treasurer; were elected to lead the club for its first semester. This group is composed of 'picked' girls who excel in swimming, and have a special interest in learning the art of 'ballet in water.' Already well acquainted with many aquatic stunts, the girls gave a demonstration of their water ballet ability on Open House Night with great success. During the second semester the girls spent the time learning how to teach others to swim.

Senior Arrangements Must Be Made

The Luncheon Committee members plan for the class luncheon with chairman, Forest Monkman, and sponsors, Miss Claussen and Miss McClintock.

With Paul Schultz, chairman, and Mrs. Purcell, sponsor, Prom Committee members planned for their Senior Prom.

Lois Jean Anderson, chairman, outlines the future plans of the Play Committee. Mr. Haggard was the sponsor.

The Ring and Pin Committee, Clifford Harris, chairman, and Mr. Fleming, sponsor, collected the money for the class rings and pins.

The Election Committee, Mary Erickson, chairman, and Miss Loucks and Miss Bendix, sponsors, planned the class elections.

The Schurzone Committee, Mary Sue Meyers, chairman, and Mr. Fleming, sponsor, was in charge of Schurzone sales and engraving fees.

The Gift Committee had the responsibility of selecting the class gift. Frank Tichy was chairman, and Miss I. Johnson sponsored it.

The Senior Play Cast, assisted by Miss Keenan and Mr. Haggard, presented a highly successful comedy.

The officers of the January 4A Boys pause a minute to enjoy a bit of humor before they start discussion of their next meeting. They are: Richard O'Brien, President; Harold Larson, Sgt.-at-Arms; Jack Nystrom, Sgt.-at-Arms; Richard Sloma, Treasurer; Charles Ringstrand, Secretary, and Robert Kunz, Vice President.

January 4 A Boys

The January 4A Boys sponsored by Mr. Fleming, completed a full and interesting program on January 17 with a talk by a Marine Representative. The 4A Boys and the 4A Girls co-operated in a dance and the boys went to see the Chicago Theater of the Air one Saturday night. The club also assisted the Athletic Department in sponsoring an athletic assembly. This group as well as the June 4A Boys can look back on many pleasant times at their club meetings and social affairs. The memories of friends made and enjoyed will be recalled many times.

January 4 A Girls

Gloria Bundgeon, Betty Johnson, Joan Hass, Joan Saroosh, Dorothy Seidenstricker, Lorraine Pfister, and Selma Schneider headed the January 4A Girls.

Junior Girls is the first group of girls of the same year who band together to form a really assimilated group; 4B Girls is the group which uses past experiences to make the 4B Girls a more active and well-organized club; 4A Girls, the group which has learned the value of leadership, poise, and co-operation and is now ready to put these qualities into active use in the most important and interesting club of the Senior year. An important event was the Mothers' and Daughters' Tea, planned entirely by the girls with the assistance of their sponsors, Miss Claussen and Miss McClintock. This gives the girls the opportunity to introduce their mothers to teachers and schoolmates, and climaxes the club's semester activities.

A Night to Remember

Picking out unique bids, selecting a smooth band, asking that 'certain one' to accompany you, and choosing formal attire were all foregoing preparations which the January graduates made for the much awaited Senior Prom. Sweet music and soft lights, gowns and tuxedos, corsages and bids all symbolize—A Night to Remember.

June Committees at Work

The Prom Committee, chairman, French Russell, sponsors, Mr. Huntley, Mr. Roncoli, and Mrs. Sugarman, work to make the Prom a huge success.

The Cap and Gown Committee, Olga Golosinec, chairman, and Miss Durland and Mr. Craig, sponsors, did valuable work.

The Schurzone Committee, Miss Theobold and Miss Russell, sponsors, was indispensable to the work of the Schurzone Office.

The Ring and Pin Committee, Shirley Karmann, chairman, and Mr. Haggard, sponsor, collected the money for the class rings and pins.

Chairman Donald Vady, sponsors Miss Halushka, Miss Hendricksen, and Mr. Golub, and the members of the Gift Committee choose the class gift.

Class Elections were planned by the Election Committee, chairman, Roy Puls, and sponsors, Miss Hartwell, Miss English, and Mr. Ulveling.

Arranging for a big event is the Luncheon Committee, Merry Lee LaPado, chairman, and sponsors Miss Keenan, Miss Kilpatrick, Miss Halushka, and Mr. Stevenson.

Mrs. Purcell's 4A Girls' Club

The June 4A Girls Club, sponsored by Mrs. Ruth Purcell, had as its objective the promotion of a closer relationship between the girls and the provision of a means of informally meeting and enjoying each other's company. The traditional event carried out every semester by the 4A Girls was changed. This year the girls had a Father and Daughter Social in place of the usual Mother and Daughter Tea. A special program was followed by refreshments, and the large number of fathers who attended proved that this social event was indeed a success and the highlight of the year's program.

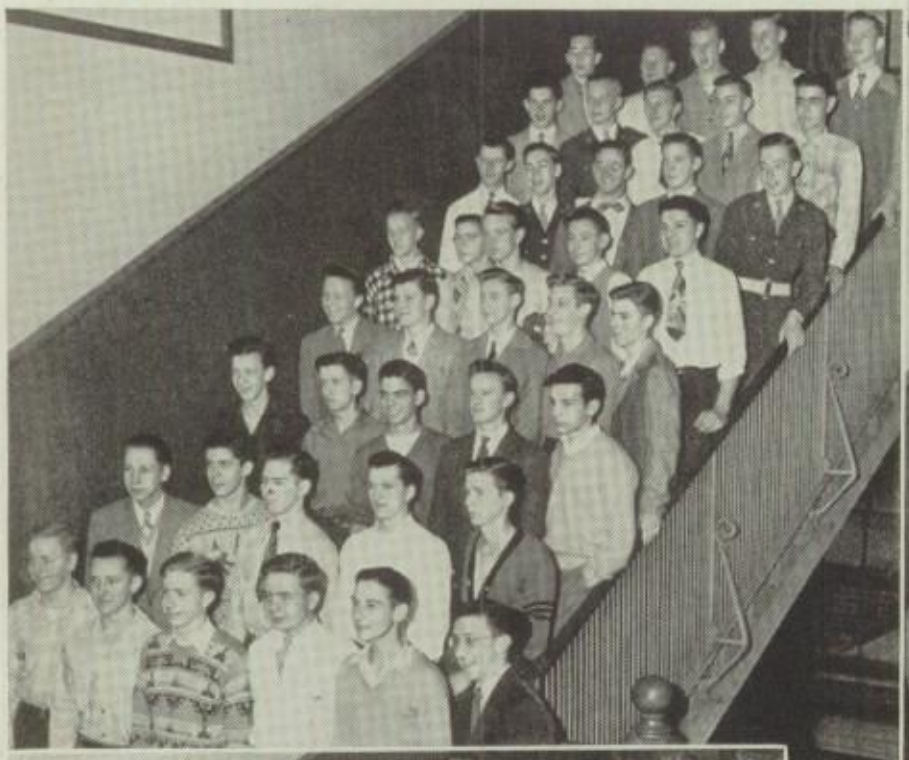
Andrea Johnson, President, with Eloise Johnson, Nancy Eichstaedt, Shirley Karmann, LaVerne Deckrow, and Betty Jarosh, are planning some of the semester's activities.

Mrs. Heinle's 4 A Girls' Club

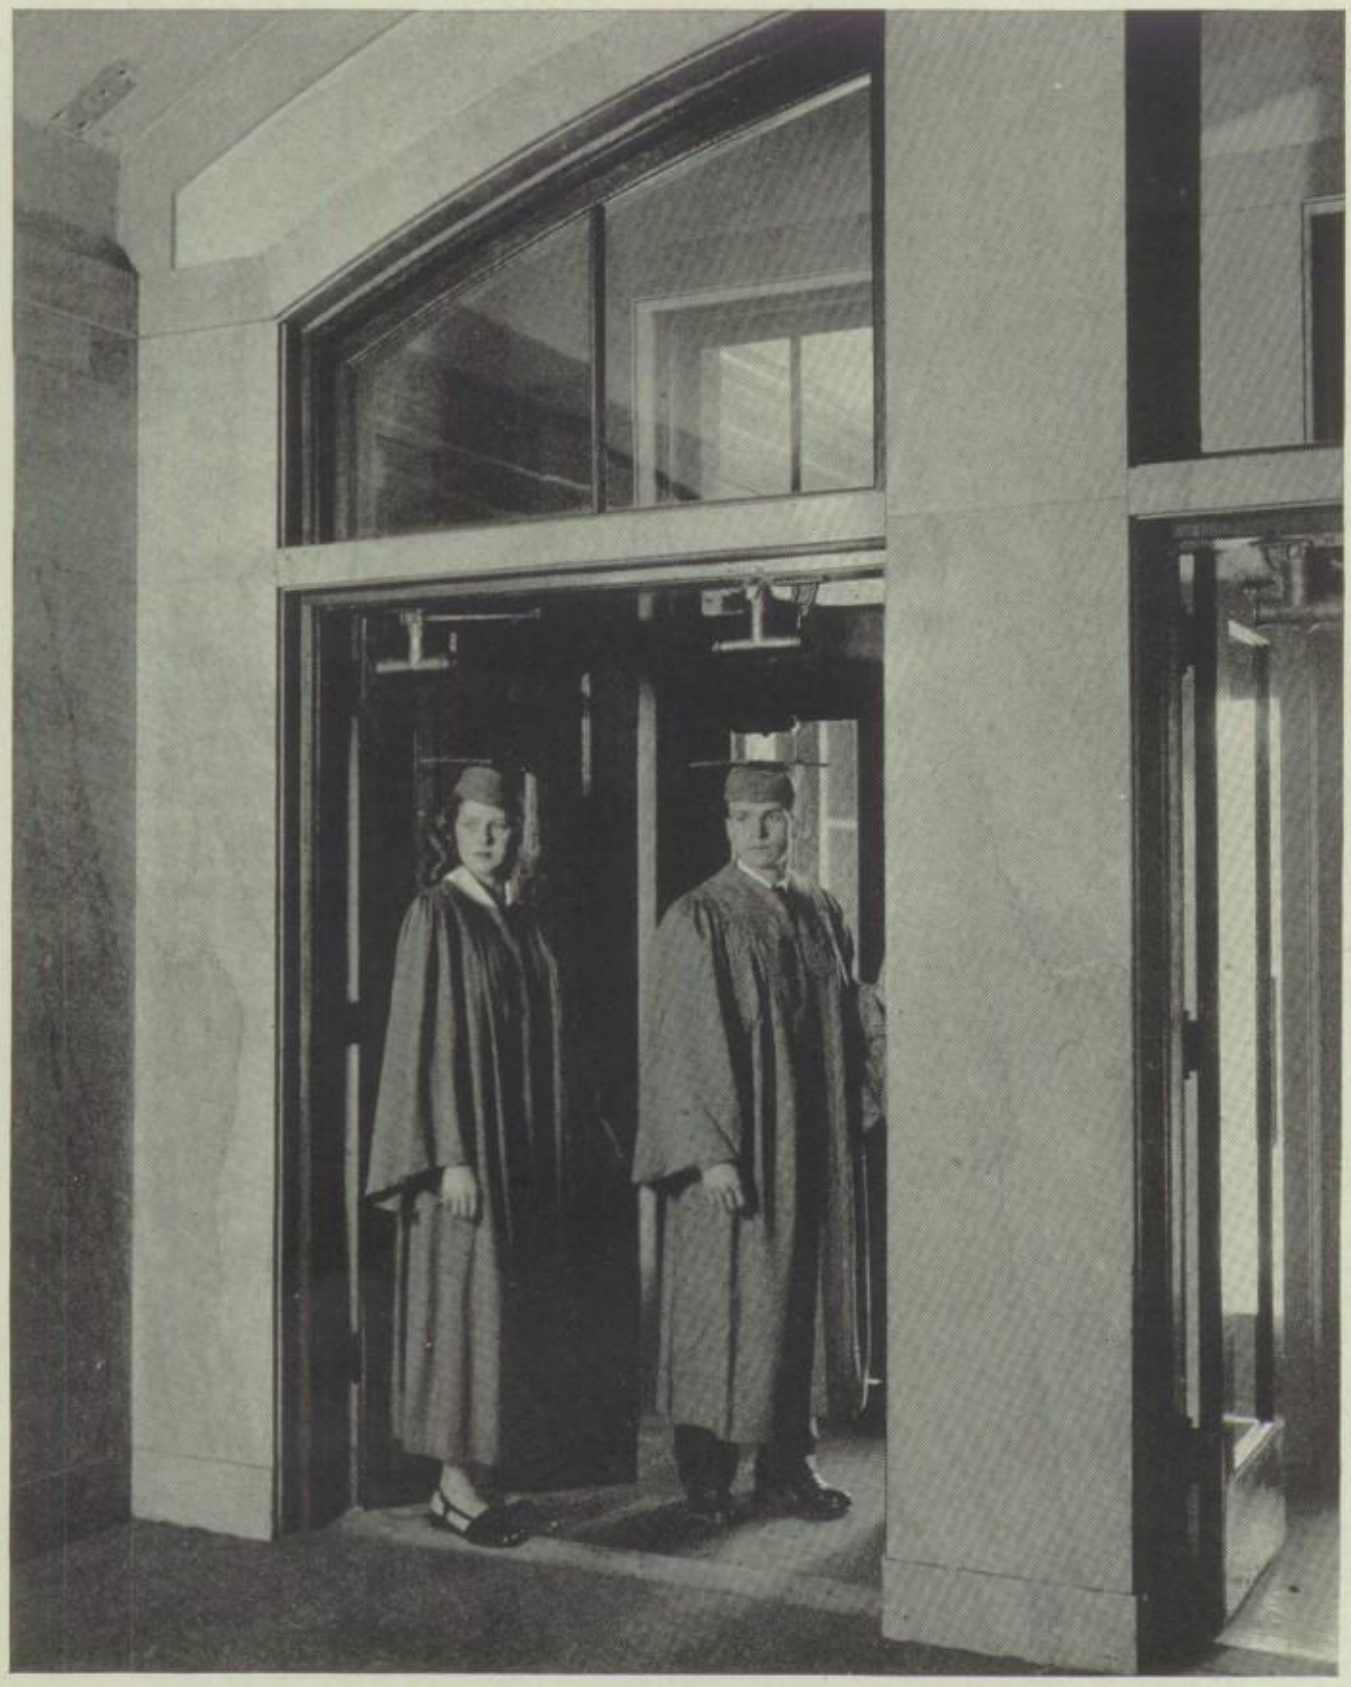
Jean Kielbasa, Evelyn Gangala, Mrs. Heinle, Ida Arns, Laurayne Bozzone, Marguerite Kernan, Bertha Limper, Lois Ericksen, and Donna Weatherford are the leaders of the club.

During the last semester of high school, we are caught in a whirlpool of events. Within the continuous cycle in which school revolves, classmates often find they are strangers. It is the purpose of the Senior Girls Club to promote a happy and friendly feeling toward all members of the Senior classes. The semester was highly successful due to the efforts of the girls, their officers, and sponsor, Mrs. L. Heinle. Combining social events with school services, memories of the friends made, and enjoyable club meetings will remain long after graduation.

June 4A Boys



Here are the boys who lead the school in sports competition, in school government, and in various assembly programs, all brought together to make one fine group. The 4A Boys Club, sponsored by Mr. Stevenson, elected the following boys to lead them in the semester's activities: French Russell, President; Robert Kaleth, Vice President; Henry Pospiech, Secretary; Robert Tomljanovich, Treasurer; Fred Schweigerdt, C. Martin Dworak, and Ken Petrick, Sergeants-at-Arms. One of their service projects was securing a donation for the Infantile Paralysis Drive. The opportunity for getting the graduating boys together in this club was welcomed since the 4A's wanted to be able to look back on the fun-filled times spent together. They will long remember all their friends in the club, and their part in making it successful.



Dreams Fulfilled

What secrets lie behind a door
Which stands forbidding . . . ever closed?
What joys, what truth may lie in store
For him who opens up that door
And finds beyond the threshold bare
The secrets which his longing soul
Has given him the right to share!

What pleasure and what thanks sublime
Grow in the hearts of those who find
The door is open. Clear as chimes
Which echo round at Easter time
Our hearts ring out in gratitude!
We step within and there behold
The joy and truth and solitude!

The doors of Schurz again stand wide.
With fond farewells we'll all pass through
And leave, to share our joy and pride!
We'll keep the secrets which abide
Within a thousand youthful hearts,
The dreams which found their birth at Schurz,
The songs, which this our school imparts!

Welcome Seniors

To the classes of 1947:

Now that you have become graduates of the Carl Schurz High School, you have also become alumni and, consequently, members of the Schurz-Jefferson Alumni Association. "Welcome, fellow Alumni!" is the word extended to you from those who have gone before you, from the one alumna of 1885 through the many alumni of 1946. Congratulations to the classes of '47 on their fine records of achievement in every phase of school life, and best wishes for success and happiness in life out of school. The Schurz-Jefferson Alumni Association has a long and rich history of tradition for the two schools represented, extending over a period of more than sixty years. It's a long, exciting, and ever-widening trail of accomplishment and happy association that your Alumni Association will give you. And so once again—Welcome, Classes of '47 and Fellow Alumni!

The Alumni of 60 Years.
